Catholic Education – Diocese Of Cairns

Catholic Education - Diocese of Cairns (CEDC) is a dynamic and growing organisation that is actively inviting schools to co-create with us, schools that are places of rich learning for now and into the 22nd Century.

Our vision is to offer every student in every school a world class education enriched by their lived encounter with the Catholic Faith.

CEDC is committed to this vision through Co-Leadership with schools to build communities of learning that provide a safe, nurturing and academically challenging environment. Our schools are places where we create opportunities for every student and every staff member so that they are inspired to contribute to our society, innovate, explore possibilities, and achieve excellence.

CEDC embraces thirty (30) schools including twenty (20) primary schools, two (2) Prep to Year 12 colleges and eight (8) secondary colleges. One of these colleges is a Special Assistance College with campuses in Cairns, Cooktown, and Edmonton. This community also includes Catholic Education Services located in Cairns itself. Over the next five years there are two new schools planned.

All schools and colleges, except three, are within a two-hour drive of Cairns. Cooktown, Waibeni Island (Thursday Island) and Weipa are accessed by daily flights and located in some of the most beautiful parts of the country. In total, there are 11 500 students and 1500 staff.

Leadership and strategic management is the responsibility of the Executive Director of CEDC. Through a team of professionals, and in Co-Leadership with principals, the Executive Director manages and facilitates a number of significant delegations which include:

- Support of the mission of the Church as delivered through Catholic Education
- Support of schools by providing services that strengthen school capacity
- Provision of leadership and forward planning to develop organisational capability
- Distribution to schools of government allocated funds and their accountability
- Monitoring quality of schools and compliance/accountability with requirements of governments, Church, and parents
- Within limits, provision of some centralised, specialised student services, where this is the most effective and efficient approach

Our staff are supported to experience success and satisfaction in their vital role.

Cairns also offers many lifestyle opportunities that can be found in few other places and is surrounded by World Heritage listed areas including the Great Barrier Reef and the Daintree Rainforest, all within an hour's

journey from the growing City of Cairns. It is the gateway to our Asian neighbours with direct flights to China, Japan and Singapore as well as having direct flights to all the east coast capital cities, Darwin, and Queensland's Sunshine and Gold Coasts.

About Augustine's College

As a Catholic College for boys (Year 7 – Year 12) in the Marist tradition, the Gospel is at the heart of all we do. Everyday moments of prayer, reflection and peacefulness in the light of the Gospel have a formative influence on the culture of our College. We consciously seek to adopt St Marcellin Champagnat's vision that "to educate young people, you must love them, and love them all equally". It is from this vision together with the defining characteristics of Marist Education - Presence, Simplicity, Family Spirit, Love of Work, and In the Way of Mary that our distinct culture is shaped. We aim to be close to the most vulnerable and accompany our students in their development as good Christians and good citizens.

The Boarding Supervisor at St Augustine's College has an indispensable role to play in supporting and promoting the mission and goals of the College where faith and educational excellence are reconciled. It is important that staff see themselves as being in cooperative partnership with parents and the Catholic Community and seek to support the Marist Charism in dynamic ways. The young people in our care should develop skills in building positive relationships based on those modelled by College staff. Teaching practices at St Augustine's College are focused on the continual development and enrichment of the educational experiences and outcomes for all students as they develop into young men with 'strong minds' and 'gentle hearts'.
