<p>Mind classification level</p>	<p>SCHADS Level 2</p>
<p>Stream</p>	<p>Victoria Operations</p>
<p>About the service</p>	<p>The Supported Independent Living (SIL) program is a residential rehabilitation service designed for people aged between 18-64 years living with severe and enduring psychosocial disability, some of whom may have dual disabilities, which has impacted their capacity to live independently in the community. SIL Dual Disability residences are typically staffed 24/7, funded by client’s NDIS packages and offer a peer recovery community environment to encourage clients to share and support each other. The services operate in the context of the local community focused on supporting people to achieve their My Better Life goals with practice guided by Mind’s Model of Recovery Oriented Practice, Supported Independent Living model, Dual Disability framework and organisational values.</p> <p>Working in collaboration with clients, families and carers Mind staff build high quality, tailored programs to suit individual needs and NDIS goal plans. Clients are supported individually and in a group setting to better</p>

Mind values the experience and contribution of people from all cultures, genders, sexualities, bodies, abilities, ages, spiritualities and backgrounds. We encourage applications from Aboriginal and Torres Strait Islander peoples, people with a lived experience of mental ill-health and recovery, people living with disability, those who identify as LGBTIQ and applicants from culturally and linguistically diverse backgrounds.

	understand and develop strategies to manage mental ill health, enhance personal and daily living skills, create meaningful social and community connections, strengthen relationships with families and friends, and build confidence and capacity to live independently.
