Aquatic & Leisure in Kingston City Council!

Our network of Aquatic and Leisure Centres that play a vital role in supporting the health, wellbeing and connection of our diverse community. Our facilities play a vital role in providing inclusive, accessible, and high-quality programs and services that inspire people to live active, healthy, and connected lives.

Our Centres

Mordi Aquatic Centre, Mordialloc

- Scheduled to open in early 2027, Mordi promises to be a vibrant new centre designed by the community, for the community.
- Projected to welcome over 400,000 visitors a year for all their aquatic education, health and wellbeing needs.
- A high-quality destination that encourages everyone to have fun, be active and to connect.

Waves Leisure Centre, Highett

- Our much-loved regional facility, attracting over 600,000 visitors a year.
- The cornerstone for aquatic education, recreation, health and wellbeing for 30 years.
- A fun, supportive and welcoming space for our community to be active, have fun and belong.

Our Direction & Strategic Framework

Together, these statements define why we exist, what we strive to achieve, and how we create lasting value for our people, partners and community.

Our Vision
Inspiring an **active, healthy** and **connected** community.

Our Purpose
Together we support a thriving, inclusive, and connected community where people of all ages, abilities and backgrounds can embrace active and healthy lifestyles.

Our Mission
Engage effectively to create opportunities for active and inclusive community participation, through innovative leadership, partnerships, education and facilities.

Our Values

At the City of Kingston, we are committed to fostering a collaborative, supportive, and high-performing culture. The following values and behaviours guide how we work and how we serve our community:

- We make a difference
- We show care and respect
- We take pride in our work
- We are better together

Together, our aquatic and leisure facilities help shape a healthier, more connected City of Kingston.
