Our Vision

The vision for CES Ltd is to provide, in partnership with our families and parishes, stimulating, enriching, liberating, sacramental and nurturing learning environments drawn from the Catholic tradition in each of the diocesan school communities.

At the heart of this vision is our commitment to the ongoing duty of care that we have for the safety, wellbeing and inclusion of all children and young people, a pursuit of excellence in all levels of learning and creating communities of welcome, hospitality and inclusion.

We believe:

- that the values of the Gospel are central to who we are, what we do, and how we act
- that we have a vital role in the mission of the Catholic Church to imagine and seek new horizons while respecting our Tradition
- that a strong sense of community is dependent on the quality of our collegial relationships

- in leadership encompassing vision, innovation, and empowerment.

Our Values

CES Ltd Values underpin and reflect the behaviours we expect of our staff:

Principles of Catholic Social Teaching

The identity of the Sandhurst Catholic School reflects the principles of Catholic social teaching, grounded in the person of Jesus, and interpreted and enacted for the "common good" in response to the "signs of the times".

These principles require that the dignity and potential of each person be fully respected within a climate that is conducive to peace, security, and development. This must find expression in the relationships, structures, curricula, planning, processes, and care in the everyday life of the school.

Respect

Respect for the dignity and potential of each person within a climate that is conducive to peace, security, and development. This must find expression in the relationships, structures, curricula, planning, processes, and care in the everyday life of the school.

Partnerships

The Sandhurst Catholic Schools do not function in isolation. In attending to the religious dimension of education, the most fundamental partnerships are those with parents/guardians and with local Catholic faith communities. The school is part of the wider Church community.

Faith

The tasks of evangelisation, catechesis and religious education are shared by home, school and parish, with each having its own distinct contribution to make in a sense of genuine partnership.
