

Cadet Opportunities

at Gippsland Lakes Complete Health

We've partnered with Federation University to offer students cadetships.

By committing to a cadetship with us, not only will you work with one of East Gippsland's largest health and wellbeing agencies, you will join an amazing team of health professionals who are passionate about people and supporting communities to live well! You will also receive ongoing financial support, mentoring and industry support, and the chance of paid work while studying and after you graduate.

The benefits of a cadetship for Federation University students include:

- A \$1000 per semester payment to support costs associated with studying
- Mentoring and coaching by qualified professionals
- Access to industry experience to immerse yourself in your area of study
- The opportunity of employment whilst you study
- The opportunity of a minimum 18 month return of service employment after graduation.

Chat with us!

To learn more about our cadetships, get in touch with Mel on 5164 9219 or email humanresources@glch.org.au

How do I apply?

You can apply by sending us a cover letter about why you're interested in a cadetship and a copy of your resume.
