Position Title

Position number: 615443

Consultant - Psychiatrist

Regional Profile

The Great Southern is situated on Western Australia’s south coast and covers 39,007 square kilometres. The Great Southern is unmatched for the scale, diversity and accessibility of its natural attractions, including rugged coastline, white sandy beaches, forests, wildflowers and the highest peaks in southern Western Australia. The region boasts robust tourism and primary production industries which provide the backbone of the economy. The town of Albany is central to WACHS Great Southern and is located alongside the historically rich and picturesque Port of Albany. The Regional Health Service offers one main health facility at Albany which is widely supported by a network of smaller Multi-Purpose Service (MPS) sites at Bremer Bay, Denmark, Gnowangerup, Jerramungup, Katanning, Kojonup, Plantagenet, Ravensthorpe and Tambellup.

About the WA Country Health Service

Our Mission

To deliver and advance high quality care for country WA communities.

Directorate overview

Great Southern Mental Health Service (GSMHS) is a specialist service that provides acute inpatient and community care to mental health clients in the Great Southern.

The GSMHS has multi-disciplinary teams who provide high quality mental health care. The teams located in Albany and Katanning provide outreach services to surrounding areas. The region is split into the Lower Great Southern (LGS) and Central Great Southern (CGS).

Our Directorate actively supports and encourages diversity and inclusion across all occupational groups through the development and implementation of initiatives aimed at accessing and improving employment and mentoring opportunities for all people. Our strategies are located at www.wacountry.health.wa.gov.au
