Position Title

Position number: Various

Health Service Medical Practitioner North of the 26th Parallel

WA Country Health Service

Our mission is to deliver and advance high quality care for country communities.

We are here to improve country people's health and well-being, to care for the sick and to ensure that country communities can access high quality healthcare.

We aim to deliver services that meet or exceed standards and advance health outcomes for country communities. While we are proud of the services staff deliver, we know that there is scope for us to grow and improve. We want to be at the forefront of the new wave of healthcare, establishing ourselves as a global leader in regional and remote healthcare.

About the WA Country Health Service

Our Strategic Priorities

Our Values

Community

We live and work in country communities. We are invested in the health, wellness and viability of country communities and the vibrancy, diversity and future of country WA.

Compassion

We are inclusive, respectful, and considerate. We care deeply about the people in our care and country communities.

Quality

We provide safe, high-quality care, constantly striving to innovate, improve and achieve trust in our care.

Integrity

We bring honesty, collaboration and professionalism to everything that we do.

Equity

We are passionate about fairness in healthcare for all Western Australians, especially the most vulnerable and disadvantaged people and communities.

Curiosity

We continually enquire and seek to understand, using the best evidence, insight and research to improve care.

Our Vision

To be a global leader in rural and remote healthcare.

Our Mission

To deliver and advance high quality care for country WA communities.
