Primary Purpose:

The Registered Nurse - Child and Family Health Nurse:

- Consistent with ongoing experience strengthens health outcomes through the provision of safe quality, clinically appropriate nursing care in partnership with clients, their families and other health professionals within the child and family health practice area.

Duties:

1. Nursing Care

- a) Assess, plan, implement and evaluate health care in collaboration with individuals/groups, families and communities.
- b) Practice in accordance with the NMBA¹ codes and guidelines for registered nurses and midwives.
- c) Involve families/significant others in the planning and implementation of child-centred health care.
- d) Contribute to the maintenance and promotion of a safe work environment.
- e) Understand and adhere to relevant legislation, policies and procedures.
- f) Maintain accurate and objective documentation.

2. Teamwork

- a) Interact effectively with clients' families and other professionals to facilitate the provision of optimum child-centred health care.
- b) Work effectively within a multidisciplinary environment, contributing to a strong team approach through open communication and a positive supportive approach.
- c) Actively contribute to the communication process, including attending and participating in team meetings.

3. Excellence in Practice

- a) Active involvement in maintaining and continually improving the quality of patient/client care. This may include participation in research and evidence-based practice.
- b) Contribute to the review and development of innovative procedures, policies and best practice related to child and family health care.
- c) Participate in the development and revision of documentation relating to nursing based best practice in child and family health nursing.
- d) In partnership with the client, plan care to provide agreed client outcomes.
- e) Evaluate the effectiveness of nursing strategies towards meeting anticipated client outcomes.

4. Learning Culture

- a) Identify and meet client goals in partnership with clients and their families/significant others.
- b) In partnership with clients, develop, implement and evaluate goals to meet their learning needs and facilitate informed decision making.
- c) Participate and contribute to a learning environment, through continuing education, professional development and attendance at conferences and relevant fora.

¹ Nursing and Midwifery Board of Australia

- d) Maintain knowledge of innovations in clinical practice and research.
 - e) Support the development of others through participation in orientation and preceptoring nurses and other members of the health team.
5. Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives and related training.

Key Accountabilities and Responsibilities:

- Accountable to and works under the general direction, guidance and support of the Nurse Unit Manager, and receives guidance and support from other senior experienced Registered Nurses, for initiating, implementing and evaluating quality nursing care.
- Champion a child safe culture that upholds the National Principles for Child Safe Organisations. The Department is committed to the safety, wellbeing, and empowerment of all children and young people, and expect all employees to actively participate in and contribute to our rights-based approach to care, including meeting all mandatory reporting obligations.
- Where applicable, exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.
- Comply at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.
- Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives, safeguarding practices for vulnerable people, and related training.

Pre-employment Conditions:

It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
 - a. crimes of violence
 - b. sex related offences
 - c. serious drug offences
 - d. crimes involving dishonesty
 - e. serious traffic offences
2. Identification check
3. Disciplinary action in previous employment check.

Selection Criteria:

1. Current knowledge of, and the ability to apply nursing principles, procedures and practices in the delivery of client care in child and family health nursing and in line with legal requirements and the NMBA National Competency Standards for the Registered Nurse.
2. Demonstrated sound knowledge of the principles of primary health care and the ability to apply these in child and family health nursing.
3. Sound interpersonal and communication skills, including written skills and the ability to function effectively in a multidisciplinary team environment.
4. Knowledge of continuous quality improvement (safety and quality) and the application of evidence-based practice in the child and family health practice setting.
5. Ability to apply adult learning principles, including group facilitation and individual care, in the child and family health setting, together with a commitment to participate in ongoing professional development.

Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles](#).

Grade 4 Community Nurse

The Grade 4 child and family health nurse is a registered nurse who demonstrates competence in advanced nursing practice and is experienced in their chosen area of clinical practice. They contribute to workplace activities beyond their immediate responsibilities of delivering clinical care to their patients or clients. This may include active involvement in clinical education, clinical leadership and management, safety and quality, practice development and managing a clinical portfolio.

In community settings registered nurses may advance to Grade 4 through:

- 1) a merit based selection process in accordance with the *State Service Act 2000*; or
- 2) a Formal Capability Assessment.

Progression to Grade 4 - Formal Capability Assessment:

To advance to Grade 4 the registered nurse must undertake a Formal Capability Assessment and must demonstrate that they meet the required criteria specified in the *Nurses and Midwives Heads of Agreement* and in the *Grade 4 Formal Capability Assessment Guidelines*:

https://www.health.tas.gov.au/intranet/thslhr/employment_training_and_development/grade_4_progression_-_nurses_and_midwives

The Grade 4 nurse is a registered nurse who demonstrates competence in advanced nursing practice and is experienced in their chosen area of clinical practice. They contribute to workplace activities beyond their immediate responsibilities of delivering clinical care to their patients or clients. This may include active involvement in clinical education, clinical leadership and management, safety and quality, practice development and managing a clinical portfolio.

Application for advancement from Grade 3 to Grade 4 is a voluntary decision by the registered nurse after they have determined they have the necessary skills and attributes required of this Grade, meet the eligibility criteria, and are committed to providing clinical leadership and excellence in the practice setting.

To be eligible to apply for a Grade 4 classification the Grade 3 nurse must:

1. Have met a minimum of four years' experience after gaining their initial qualification as a registered nurse, and apply for progression in accordance with the terms and conditions stipulated in the Nurses Agreement.
2. Meet the assessment criteria outlined in the Grade 4 Formal Capability Assessment Guidelines relating to:
 - a. Clinical knowledge and skills
 - b. Education of self and others
 - c. Clinical leadership and management
3. Be committed to providing clinical leadership and excellence in the practice setting and contributing to workplace activities including active involvement in clinical education, clinical leadership and management, safety and quality, practice development and managing a clinical portfolio.

Duties/Responsibilities:

In community settings registered nurses may advance to Grade 4 through:

- 1) a merit based selection process in accordance with the *State Service Act 2000*; or
- 2) a Formal Capability Assessment (refer to page 4).

Irrespective of the pathway to a Grade 4 appointment the duties and responsibilities are in accordance with the Grade 4 Registered Nurse - Community Nurse Statement of Duties.

Note: The Grade 4 registered nurse is required to consistently undertake these duties/responsibilities however the Grade 3 registered nurse may also be required to undertake these duties/responsibilities from time to time.
