NB. The above details in relation to Location, Position Type and Work Pattern may differ when this position is advertised – please refer to these details within the actual advert. The remainder of the content of this Statement of Duties applies to all advertised positions.

Primary Purpose:

As part of a small specialist team delivering high quality mental health services in accordance with the National Standards for Mental Health Services, Agency policy and direction and legal requirements, and relevant professional competencies, the Clinical Nurse Consultant will provide:

- Day to day clinical oversight of the service, including effective management of human and physical resources as required.
- Ongoing leadership, direction and change management to support service development and optimise potential outcomes from the endorsed Operational Service Model.
- Specialist assessments and brief interventions to individual service users.
- Information and referral to a broad range of internal and external stakeholders as required to achieve quality outcomes for service users.

Duties:

1. Actively contribute to the culture, leadership and day to day management of the Safe Haven to ensure the provision of timely high quality, clinical and psychosocial support that promotes independence, opportunity and recovery in the community and offers a realistic alternative to presentation to the Emergency Department and admission to hospital.
2. Provide ongoing support to Safe Haven Peer Workers as required including providing regular opportunities for debriefing.
3. Support consumers, and families/friends, as experts and leaders of their own care
4. Actively uphold a culture of hope by using optimistic language, supporting people and celebrating people's recovery efforts.
5. Work with people to support, maintain or develop resources, networks and relationships to promote their access to opportunities, resources and services to achieve their recovery goals.
6. Assist with information and referral to other community-based supports, as required.
7. Build relationships across mental health and community sector organisations to support the function of the Safe Haven.
8. In active partnership with Peer Worker staff facilitate wellbeing and psycho-education opportunities as required.
9. Provide a triage function, ensuring people who require more clinical support have access to an escalated level of care as required.
10. Actively participate in clinical referral and multidisciplinary review processes as required
11. Act as an Authorised Officer under the Mental Health Act when required.
12. Seek qualitative feedback and collect data as required to allow service performance to be evaluated and adjustments made as needed to enhance outcomes for service users.
13. Promote a research culture by identifying, supporting and developing appropriate opportunities for staff to participate in approved research activities, and to maintain and apply knowledge of contemporary evidence-based practice.
14. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

Key Accountabilities and Responsibilities:

The Clinical Nurse Consultant - Safe Haven will:

- Practice in accordance with the Nursing and Midwifery Board of Australia (NMBA) codes and guidelines for registered nurses/midwives.
- Operate with a high level of professional independence in the delivery of professional consultancy and clinical services, and is required to exercise initiative and professional judgement, with guidance, supervision and support from the Manager as required.
- Accept accountability and responsibility for agreed outcomes in the provision of efficient and reflective client care, and for recognising and maintaining own professional development needs as well as contributing to performance development for other staff.
- Where applicable, exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.
- Comply at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.
- Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives, safeguarding practices for vulnerable people, and related training.

Pre-employment Conditions:

It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
 - a. crimes of violence
 - b. sex related offences
 - c. serious drug offences
 - d. crimes involving dishonesty
2. Identification check
3. Disciplinary action in previous employment check.

Selection Criteria:

1. Demonstrated leadership skills and proven ability to manage and coordinate the day-to-day activities and clinical care provided by a small specialist community-based team.
2. Demonstrated high level knowledge in relation to the principles of recovery and client centred care and a proven ability to provide a range of assessments and specialist treatments and brief interventions.
3. Ability to undertake ongoing risk assessments and effectively manage the outcomes from these assessments, including escalating care when required.
4. Able to display adaptability and flexibility and independently and safely practise in a changing and at times pressured environment.
5. Proven high level interpersonal skills including oral and written communication, negotiation, conflict resolution and decision making, and ensuring consumers receive information in an appropriate and accessible format.
6. Commitment to and proven ability in working collaboratively and effectively with multiple key internal and external stakeholders.
7. Demonstrated ability to work with and an understanding of the role of peer workers.

Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles](#).
