Note: The above details in relation to Location, Position Type and Work Pattern may differ when this position is advertised – please refer to these details within the actual advert. The remainder of the content of this Statement of Duties applies to all advertised positions.

Primary Purpose:

Provide quality specialist and subspecialty medical services to the Launceston General Hospital (LGH) within the limits of specified clinical privileges.

Provide clinical services of the highest possible standard in patients and their families attending the Launceston General Hospital (LGH) and wider community.

Duties:

1. Clinical Activities:

- Provide specialist clinical and consultative services in immunology to inpatients and outpatients for Hospitals North.
- Provide consultative service for other specialty units.

2. Quality Assurance Activities within the LGH:

- Participating in clinical performance improvement in the Department of Medicine and Hospital Management Committee meetings.
- Participating in continuing education meetings
- Ensuring accurate clinical records are maintained for each patient.
- Overseeing the quality of care provided by the junior medical staff.

3. Teaching & Research:

- Participate in undergraduate and post graduate teaching programs.
- Participate in clinical reviews and research activities at the LGH.

4. Actively participate in and contribute to the organisation's Quality & Safety and Work Health & Safety processes, including in the development and implementation of safety systems, improvement initiatives, safeguarding practices for vulnerable people, and related training.

5. The incumbent can expect to be allocated duties, not specifically mentioned in this document, that are within the capacity, qualifications and experience normally expected from persons occupying positions at this classification level.

Key Accountabilities and Responsibilities:

- The position is responsible to the Director of Medicine for the provision of specialist medical services to public and private patients of the LGH, clinical responsibilities and undergraduate teaching and research.
- Required to operate independently with limited reporting acting within clinical privileges, as defined.
- Work unsupervised but liaises closely with professional colleagues and the Director of Medicine.
- Champion a child safe culture that upholds the National Principles for Child Safe Organisations. The Department is committed to the safety, wellbeing, and empowerment of all children and young people, and expect all employees to actively participate in and contribute to our rights-based approach to care, including meeting all mandatory reporting obligations.
- Where applicable, exercise delegations in accordance with a range of Acts, Regulations, Awards, administrative authorities and functional arrangements as mandated by Statutory office holders including the

Secretary and Head of State Service. The relevant Unit Manager can provide details to the occupant of delegations applicable to this position.

- Comply at all times with policy and protocol requirements, including those relating to mandatory education, training and assessment.

Pre-employment Conditions:

It is the Employee's responsibility to notify an Employer of any new criminal convictions during the course of their employment with the Department.

The Head of the State Service has determined that the person nominated for this job is to satisfy a pre-employment check before taking up the appointment, on promotion or transfer. The following checks are to be conducted:

1. Conviction checks in the following areas:
 - a. crimes of violence
 - b. sex related offences
 - c. serious drug offences
 - d. crimes involving dishonesty
2. Identification check
3. Disciplinary action in previous employment check.

Selection Criteria:

1. Sound knowledge of current specialty practice.
2. Demonstrated ability to provide specialty services as defined by allocated clinical privileges.
3. Recent experience in an acute hospital setting.
4. Demonstrated ability to work within a multidisciplinary team of medical, nursing and allied health staff.
5. Demonstrated effective communication skills in dealing with patients, their relatives and professional colleagues.
6. Knowledge of continuous quality improvement activities relevant to practice within the clinical discipline.
7. Evidence of ongoing participation and commitment to continuing your own medical and surgical education.

Working Environment:

The Department of Health is committed to improving the health and wellbeing of patients, clients and the Tasmanian community through a sustainable, high quality and safe health system. We value leading with purpose, being creative and innovative, acting with integrity, being accountable and being collegial.

The Department of Health is committed to improving the way we work with vulnerable people, in particular implementing strategies and actions to promote child safety and wellbeing, empower, and prevent harm to children and young people.

The Department upholds the *Australian Charter of Healthcare Rights* in our practice and is committed to the safeguarding and protection of the welfare and rights of all people, particularly those that may be at risk of abuse, neglect, or exploitation. We place emphasis on the provision of culturally safe, respectful, and inclusive care that is responsive to diverse needs.

The Department seeks to provide an environment that supports safe work practices, diversity and respect, including with employment opportunities and ongoing learning and development. We value the diverse backgrounds, skills and contributions of all employees and treat each other and members of the community with respect. We do not tolerate discrimination, harassment or bullying in the workplace. All employees must uphold the *State Service Principles* and *Code of Conduct* which are found in the *State Service Act 2000*. The Department supports the [Consumer and Community Engagement Principles | Tasmanian Department of Health](#).
