**Acknowledgement of Country**

The University of Melbourne acknowledges the Traditional Owners of the unceded land on which we work, learn and live: the Wurundjeri Woi Wurrung and Bunurong peoples (Burnley, Fishermans Bend, Parkville, Southbank and Werribee campuses), the Yorta Yorta Nation (Dookie and Shepparton campuses), and the Dja Dja Wurrung people (Creswick campus).

The University also acknowledges and is grateful to the Traditional Owners, Elders and Knowledge Holders of all Indigenous nations and clans who have been instrumental in our reconciliation journey.

We recognise the unique place held by Aboriginal and Torres Strait Islander peoples as the original owners and custodians of the lands and waterways across the Australian continent, with histories of continuous connection dating back more than 60,000 years. We also acknowledge their enduring cultural practices of caring for Country.

We pay respect to Elders past, present and future, and acknowledge the importance of Indigenous knowledge in the Academy. As a community of researchers, teachers, professional staff and students we are privileged to work and learn every day with Indigenous colleagues and partners.

**FEIT’s Commitment to Diversity and Inclusion**

The Faculty of Engineering and Information Technology (FEIT) is committed to creating a diverse and inclusive environment that welcomes and values all people. We recognise that diversity is essential in contributing to the success of FEIT. Women, Aboriginal and Torres Strait Islanders, the LGBTQI+ community, people living with disability and those from a culturally and linguistically diverse background, are strongly encouraged to apply. Those seeking support in submitting an application are welcome to contact the Faculty HR team at feit-hr@unimelb.edu.au

**Position Summary**

Reporting to senior members of the Academic Programs team, the Academic Support Coordinator (ASC) is responsible for providing high level support to academic staff in the various departments/schools of the Faculty of Engineering and IT (FEIT) in relation to the Faculty’s teaching programs. This role is involved in the provision of advice, guidance and administrative support to academic staff members with respect to all policies, protocols, timelines and systems related to teaching and course administration. The ASC will provide departments/school with the day-to-day delivery of services and management of processes such as timetabling, handbook, subject and course changes, examinations, Board of Examiners meetings, results and academic board requirements.
The ASC will work in parallel with Associate Deans and Department Administrators to the Head of Departments to ensure that excellent and seamless service and accurate advice is provided to all staff. The ASC will be expected to provide support as required to cover the duties of other staff in the Academic Programs Team during periods of leave of absence.
