Position Detail			
Reports To	Workforce Planning Lead	Group	Operational Training and Resourcing
Classification	ASA 7a	Location	Canberra, Melbourne or Brisbane
Reports – Direct Total	1		

Organisational Environment

Airservices is a government owned organisation providing safe, secure, efficient and environmentally responsible services to the aviation industry.

Each year we facilitate over four million aircraft movements carrying more than 156 million passengers, and provide air navigation services across 11 per cent of the world's airspace.

Airservices has two major operating centres in Melbourne and Brisbane and a corporate office in Canberra. We operate 29 air traffic control towers at international and regional airports, and provide aviation rescue firefighting services at 27 Australian airports.

Primary Purpose of Position

The purpose of Workforce Planning function is to ensure that the right people, those with the skills and capabilities necessary for the work, are available in the right numbers, in the right employment types, in the right place and at the right time to deliver our legislative, regulatory, service and operational requirements now and into the future.

As a Senior Workforce Planning Specialist you will be responsible for delivering an effective workforce plan for the ARFFs workforce, aligned to training plans and project schedules. You will undertake analysis of demand and supply, developing and managing staffing plans to support operational service delivery in compliance with Airservices, policies, procedures and guidelines. You will work collaboratively Service Delivery Leaders and other roles across the business to ensure optimised forecast and pipeline management.
