ORGANISATIONAL CONTEXT

At Monash, work feels different. There’s a sense of belonging, from contributing to something groundbreaking – a place where great things happen. You know you’re part of something special and purposeful because, like Monash, your ambitions drive you to make change.

We have a clear purpose to deliver ground-breaking intensive research; a world-class education; a global ecosystem of enterprise – and we activate these to address some of the challenges of the age, Climate Change, Thriving Communities and Geopolitical Security.

We welcome and value difference and diversity. When you come to work, you can be yourself, be a change-maker and develop your career in exciting ways with curious, energetic, inspiring and committed people and teams driven to make an impact – just like you.

Together with our commitment to academic freedom, you will have access to quality research facilities, infrastructure, world class teaching spaces, and international collaboration opportunities.

We champion an inclusive workplace culture for our staff regardless of ethnicity or cultural background. We have also worked to improve gender equality for more than 30 years. Join the pursuit of our purpose to build a better future for ourselves and our communities – #ChangeIt with us.

The Monash Business School is structured into seven discipline-based departments (Accounting, Banking and Finance, Business Law and Taxation, Econometrics and Business Statistics, Economics, Management, and Marketing) along with the specialist Leadership and Executive Education unit and a number of research centres, units and groups in specialist areas such as behavioural economics, development economics, employment and work, finance, global business, and retail studies. To learn more about the Monash Business School, please visit our website: www.monash.edu/business. The Monash Centre for Financial Studies (MCFS) is a practitioner-oriented research centre within Monash Business School. MCFS researches issues of importance...
to the financial services industry, applying academic rigour to address significant challenges. Additionally, the Centre serves as an intellectual hub facilitating academic engagement with industry and government. The Centre’s work leads to publications and informs curriculum and course development at the University. For more information, please visit our website: www.monash.edu/business/monashcentre-for-financial-studies.

**POSITION PURPOSE**

A Level A research-only academic is expected to contribute to the research effort of the University and to develop their research expertise through the pursuit of defined projects relevant to the particular field of research.

The incumbent will be expected to participate in the Centre’s engagement activities, including ongoing interaction with industry and government stakeholders.
