POSITION PURPOSE

The Librarian works as part of a team to contribute to a comprehensive range of library education and research services, programs and resources. This includes developing library collections and working collaboratively to develop and implement integrated and embedded information research and learning skills and research programs within the curriculum. The position initiates and administers projects under direction, provides training and guidance to Library team members in the application of those projects, as well as analysing and resolving complex issues.

Reporting Line: The position reports to a Subject Librarian, Research and Learning Coordinator or Library Manager, under general direction

Supervisory Responsibilities: May supervise a small team of continuing or casual staff

Modified date: September 2019
Financial Delegation: Not applicable
Budgetary Responsibilities: Not applicable

KEY RESPONSIBILITIES

1. Contribute to the development and delivery of information research and learning skills resources, programs and services
2. Plan, implement and manage a range of complex activities to enable access to library resources, services and programs. This may include developing online learning resources, recommending collection purchases, maintaining electronic subscriptions, creating metadata, analysing access and new functionality issues and producing reports in accordance with agreed standards and timeframes
3. Undertake activities related to research data management, research repositories, digitisation and/or publishing
4. Deliver high-level and effective services to clients and stakeholders at library service points, including prompt issue resolution and provision of advice in identifying, accessing and using resources
5. Develop professional expertise in education and research in alignment with library strategic goals and the broader success of the Library Faculty team
6. Actively participate in, develop and implement continuous improvement activities relating to library practices, team activities and customer service excellence
7. Lead, support and motivate a small team of professional Library staff
8. Monitor new developments in information services, resources and programs and advise on their applicability
9. Provide sound and timely specialist advice and inform and educate library staff in new processes and procedures and assist clients and stakeholders in understanding compliance requirements and identifying, accessing and using resources
10. Build and sustain effective working relationships with a network of colleagues, clients and other stakeholders for efficient service delivery

KEY SELECTION CRITERIA

Education/Qualifications

1. The appointee will have:
   • A tertiary qualification in a relevant field (e.g. librarianship or information management); or
   • completion of an advanced diploma with subsequent relevant work experience; or
   • an equivalent combination of relevant experience and/or education/training

Knowledge and Skills

2. Demonstrated capacity to provide effective information services, resources and programs
3. Demonstrated presentation skills with the ability to prepare and deliver effective research skills and other learning programs and resources for various audiences
4. Excellent organisational skills, including the ability to set priorities, manage time and plan work to meet deadlines within a complex and changing environment
5. Well-developed information technology and computer application skills for effectively operating in the digital environment
6. Highly-developed communication skills, including the ability to liaise effectively with staff, students, external vendors and other stakeholders
7. Demonstrated ability to work effectively with limited supervision or as part of a team

8. Ability to manage staff and lead a small team

9. Proven analytical and problem-solving skills together with strong attention to detail

OTHER JOB RELATED INFORMATION

- Travel to other campuses of the University may be required
