LECTURER, STRUCTURAL ENGINEERING

DEPARTMENT/UNIT Civil Engineering

FACULTY/DIVISION Faculty of Engineering

CLASSIFICATION Level B

DESIGNATED CAMPUS OR LOCATION Clayton campus

ORGANISATIONAL CONTEXT

Everyone needs a platform to launch a satisfying career. At Monash, we give you the space and support to take your career in all kinds of exciting new directions. You’ll have access to quality research, infrastructure and learning facilities, opportunities to collaborate internationally, as well as the grants you’ll need to publish your work. We’re a university full of energetic and enthusiastic minds, driven to challenge what’s expected, expand what we know, and learn from other inspiring, empowering thinkers. Discover more at www.monash.edu.

The Faculty of Engineering is one of the largest in Australia, renowned worldwide for the quality and calibre of our teaching, research and graduates. We offer a comprehensive range of undergraduate, graduate, postgraduate and higher degree by research programs in a wide range of engineering disciplines. Our research activities provide a platform for establishing a thriving educational enterprise and our staff are committed to creating a dynamic learning environment. The research activities range from fundamental studies to research with a strong applications orientation. To learn more about the Faculty of Engineering, please visit our website: www.monash.edu/engineering.

The Faculty of Engineering has a strong commitment to diversity, inclusion and flexibility in the workplace. The Faculty aims to improve gender diversity among academic staff and has gender equity targets for shortlisting candidates.

The Department of Civil Engineering aims to provide high quality education, research and professional services globally for the mutual benefit of the students, the staff, the University, industry, the profession and the wider community. We offer several undergraduate and postgraduate coursework degrees. The Department actively pursues innovative and significant multi-disciplinary research to address the challenges for engineering in the 21st century. For more information about us and the work we do, please visit our website: www.monash.edu/engineering/departments/civil.
POSITION PURPOSE
A Level B academic is expected to make contributions to the teaching effort of the university and to carry out activities to maintain and develop her/his scholarly, research and/or professional activities relevant to the profession or discipline.

The Lecturer will contribute to education within the Department of Civil Engineering and research across areas such as energy harvesting, biosensing, smart materials or structural design, and will contribute to the Departments’ focus on engaging with, and partnering on, research project opportunities with faculty colleagues, national and international partners and industry.

Reporting Line: The position reports to the Head of Department, Civil Engineering

Supervisory Responsibilities: Not applicable

Financial Delegation: Not applicable

Budgetary Responsibilities: Not applicable

KEY RESPONSIBILITIES
Specific duties required of a Level B academic may include:

1. The conduct of tutorials, practical classes, demonstrations, workshops, student field excursions, clinical sessions and/or studio sessions

2. Initiation and development of subject material

3. Acting as subject coordinators

4. The preparation and delivery of lectures and seminars

5. Supervision of the program of study of honours students or of postgraduate students engaged in course work

6. Supervision of major honours or postgraduate research projects

7. The conduct of research

8. Involvement in professional activity

9. Development of course material with appropriate advice from and support of more senior staff

10. Marking and assessment

11. Consultation with students

12. A range of administrative functions the majority of which are connected with the subjects in which the academic teaches

13. Attendance at departmental, school and/or faculty meetings and/or membership of a number of committees

14. Other duties as directed from time to time

KEY SELECTION CRITERIA
Education/Qualifications

1. The appointee will have:
   - Undergraduate and doctoral qualification in the relevant discipline area
Knowledge and Skills

2. Possess a high level of interpersonal skills and demonstrated ability to work independently and as part of a team across both the education and service sectors

3. Demonstrated analysis and manuscript preparation skills; including developing a solid track record of refereed research publications

4. Demonstrated research background across areas related to Structural Engineering such as energy harvesting, biosensing, smart materials or structural design

5. Ability to work positively and cooperatively with students, internal and external teams and external organisations

6. Demonstrated strong record of teaching experience in a tertiary environment

7. Demonstrated ability to motivate, actively engage and educate a given audience

8. Demonstrated experience in curriculum and subject material development

9. Proven ability, commitment and passion for engaging in scholarly and research activities

10. A demonstrated capacity to work in a collegiate manner with other staff in the workplace

OTHER JOB RELATED INFORMATION

- Travel to, and block teaching at, other campuses of the University may be required
- There may be a requirement to work additional hours from time to time
- There may be peak periods of work during which taking of leave may be restricted
- A current satisfactory Working With Children Check is required

GOVERNANCE

Monash University expects staff to appropriately balance risk and reward in a manner that is sustainable to its long-term future, contribute to a culture of honesty and integrity, and provide an environment that is safe, secure and inclusive. Ensure you are aware of and adhere to University policies relevant to the duties undertaken and the values of the University. This is a standard which the University sees as the benchmark for all of its activities in Australia and internationally.
