Everyone needs a platform to launch a satisfying career. At Monash, we give you the space and support to take your career in all kinds of exciting new directions. You’ll have access to quality research, infrastructure and learning facilities, opportunities to collaborate internationally, as well as the grants you’ll need to publish your work. We’re a university full of energetic and enthusiastic minds, driven to challenge what’s expected, expand what we know, and learn from other inspiring, empowering thinkers. Discover more at [www.monash.edu](http://www.monash.edu).

The Monash Business School operates across all three Australian campuses (Caulfield, Clayton and Peninsula) and, together with business schools in Malaysia, makes up Monash University’s Faculty of Business and Economics.

The Monash Business School is structured into seven discipline-based departments (Accounting, Banking and Finance, Business Law and Taxation, Econometrics and Business Statistics, Economics, Management, and Marketing) as well as a number of research centres, units and groups in specialist areas such as behavioural economics, development economics, employment and work, and retail studies.

The **Department of Marketing** is one of the largest providers of tertiary level marketing education in Australia. From a teaching perspective, we offer undergraduate and postgraduate programs in a range of marketing disciplines across all campuses and using various teaching modes. The Department also has a strong research profile and a vibrant research culture. We are a leader in marketing education and research in the southern hemisphere and are committed to maintaining this pre-eminent position in a rapidly changing educational environment by continuing to deliver teaching and research at the cutting edge of marketing technology and practice. For more information about our Department and the work we do, please visit our website: [www.monash.edu/business/marketing](http://www.monash.edu/business/marketing).
POSITION PURPOSE

A Level C academic will make significant contributions to the teaching effort of the Department of Marketing. An academic at this level will also play a major role in developing and conducting academic and/or industry focused research and contribute to the development and engagement of the Department.

Reporting Line: The position reports to the Head of Department for education and research program responsibilities and outcomes, through the relevant performance manager

Supervisory Responsibilities: Not applicable

Financial Delegation: Not applicable

Budgetary Responsibilities: Not applicable

KEY RESPONSIBILITIES

Specific duties required of a Level C academic may include:

1. The preparation and conduct of tutorials, practical classes, demonstrations, workshops, student field excursions, clinical sessions and studio sessions

2. Coordination, initiation and development of course material

3. Supervision of major honours or postgraduate research projects

4. Supervision of the program of study of honours students and of postgraduate students engaged in course work

5. The conduct of research and dissemination of research findings through publications in highly reputable journals and other outlets

6. Significant role in research projects including, where appropriate, leadership of a research team

7. Submitting applications for external funding

8. Consultation with students

9. Engagement with industry as appropriate

10. Broad administrative functions, the majority of which are connected with the subjects in which the academic teaches, such as marking and assessment

11. Attendance at departmental, school and/or faculty meetings and a major role in planning or committee work

12. Embrace and support the Faculty’s commitment to national and international accreditation

   (i.e. TEQSA, EQUIS, AACSB and AMBA)

13. Recognise and uphold the Faculty’s commitment to the principles and values promoted through PRME and GRLI in all activities

14. Other duties as directed from time to time

KEY SELECTION CRITERIA

Education/Qualifications

1. The appointee will have:

   - A doctoral qualification in the relevant discipline area or equivalent accreditation and standing and/or recognised significant experience in the relevant discipline area.
In determining experience relative to qualifications, regard shall be had to teaching experience, experience in research, experience outside tertiary education, creative achievement, professional contributions and/or contributions to technical achievement. In addition, a position at this level will normally require a record of demonstrable scholarly and professional achievement in the relevant discipline area.

**Knowledge and Skills**

2. Proven ability, commitment and passion for engaging in scholarly and research activities
3. Demonstrated design, analysis and manuscript preparation skills; including a solid track record of refereed research publications in marketing related journals
4. Demonstrated strong record of teaching experience in a tertiary environment, including evidence of leadership in teaching
5. Demonstrated ability to stimulate, actively engage and educate a given audience
6. Possess a high level of interpersonal skills and demonstrated ability to work independently and as part of a team across both the education and service sectors
7. A willingness to undertake service at the departmental and/or faculty level
8. Ability to work positively and cooperatively with students, internal and external teams and agencies
9. A demonstrated capacity to work in a collegiate manner with other staff in the workplace

**OTHER JOB RELATED INFORMATION**

- Travel to other campuses of the University may be required
- There may be a requirement to work additional hours from time to time
- There may be peak periods of work during which taking of leave may be restricted
- A current satisfactory Working With Children Check is required

**GOVERNANCE**

Monash University expects staff to appropriately balance risk and reward in a manner that is sustainable to its long-term future, contribute to a culture of honesty and integrity, and provide an environment that is safe, secure and inclusive. Ensure you are aware of and adhere to University policies relevant to the duties undertaken and the values of the University. This is a standard which the University sees as the benchmark for all of its activities in Australia and internationally.
