Hospital/ Service/ Cluster:	Infrastructure
Division:	Corporate Services
Department/Section / Unit/ Ward:	Infrastructure Branch
Role reports to:	AS07 Manager or AS08
Role Created/ Reviewed Date:	September 2024
Criminal and Relevant History Screening:	<input type="checkbox"/> Aged (NPC) <input type="checkbox"/> Working With Children's Check (WWCC) (DHS) <input type="checkbox"/> Vulnerable (NPC) <input checked="" type="checkbox"/> General Probity (NPC)
Immunisation Risk Category Requirements:	<input type="checkbox"/> Category A (direct contact with blood or body substances) <input type="checkbox"/> Category B (indirect contact with blood or body substances) <input checked="" type="checkbox"/> Category C (minimal patient contact)

ROLE CONTEXT

Primary Objective(s) of role:

- > As an Infrastructure Graduate, you will hold a pivotal role in supporting the infrastructure function which includes:
 - o delivery of SA Health's capital program, which involves managing major infrastructure projects (including offering essential technical guidance and integrating environmentally sustainable practices). This office works closely with Department for Infrastructure and Transport and is responsible for delivering the largest program of capital works for health facilities ranging from very complex to less complex projects.
 - o SA Health's administration of leased accommodation, land and property transactions, provision of DHW facilities services, and management of strategic projects on behalf of ten LHNs, SCSS and SAAS. This office provides property leasing advice and input to SA Health stakeholders on a large variety of leases and negotiations.
 - o application of consistent asset management approach, integrated planning and long term investment in infrastructure, using structured asset management system, informed by a combination of objective evidence and advice from experts with ongoing contribution from key stakeholders such as clinicians, consumers and the community.
- > As a Graduate in the Public Sector, you will receive hands on experience, guidance and mentorship from experienced professionals, enabling you to develop essential skills critical to delivering Health services. Information and training will be provided across the varying functions.
- > Your contributions will be instrumental in effective and efficient delivery of works, management of property and assets, and supporting the government's commitment to transparency and accountability. Through your dedication and passion for public service, you will play a significant role in contributing to the overall success and positive impact of public sector operations.

Direct Reports:

- > Nil

Key Relationships/ Interactions:

Internal

- > Infrastructure (Asset Management & Strategy, Biomedical Engineering, Capital Planning, Capital Projects, Property, Leasing & Facilities, Strategic Projects, Sustainability & Environment and Technical Advisory) managers and staff

- > *Children and Young People (Safety) Act 2017 (SA)* 'Notification of Abuse or Neglect'.
- > Disability Discrimination.
- > *Independent Commissioner Against Corruption Act 2012 (SA)*.
- > *Information Privacy Principles Instruction*.
- > Relevant Awards, Enterprise Agreements, *Public Sector Act 2009*, *Health Care Act 2008* and the *SA Health (Health Care Act) Human Resources Manual*.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the *South Australian Government's Risk Management Policy* to work as appropriate.

The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards, and participating in quality improvement activities as necessary.

Performance Development:

The incumbent will be required to participate in the organisation's Performance Review and Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must always act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures, or guidelines issued by SA Health regarding acceptable workplace behaviour.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer, and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care, and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological, and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Barossa Hills Fleurieu Local Health Network Inc., Eyre and far North Local Health Network Inc., Flinders and Upper North Local Health Network Inc., Limestone Coast Local Health Network Inc., Riverland Mallee Coorong Local Health Network Inc., Yorke and Northern Local Health Network Inc. and SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

Infrastructure is part of the Corporate Services Division within DHW. Infrastructure contributes to the delivery of a safe, efficient, effective and environmentally sustainable public health system by planning for, delivering and sustaining infrastructure to meet the needs of clients in SA Health and DHW. Infrastructure includes Asset Management & Strategy, Biomedical Engineering, Capital Planning, Capital Projects, Property, Leasing & Facilities, Strategic Projects, Sustainability & Environment and Technical Advisory.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect, and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.

- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
