ROLE DESCRIPTION

Role Title:	Clinical Coder
Classification Code:	ASO3
LHN/ HN/ SAAS/ DHA:	Northern Adelaide Local Health Network
Hospital/ Service/ Cluster:	Lyell McEwin / Modbury
Division:	Corporate
Department/ Section/ Unit/ Ward:	HIMS/ Clinical Coding
Role reports to:	Manager Coding Services
Role Created/ Reviewed Date:	
Criminal and Relevant History Screening:	☐ Aged (NPC) ☐ Working with Children Check (WWCC) (DHS) ☐ Vulnerable (NPC) ☒ General Probity (NPC)
Immunisation Risk Category Requirements:	☐ Category A (direct contact with blood or body substances) ☒ Category B (indirect contact with blood or body substances) ☐ Category C (minimal patient contact)

ROLE CONTEXT

Primary Objective(s) of role:

The Clinical Coder is responsible for the timely allocation and quality of ICD-10-AM codes (or subsequent versions) to inpatient episodes of care to produce accurate and comprehensive morbidity & casemix profile for the Northern Adelaide Local Health Network (NALHN) situated at Lyell McEwin (LMH) and Modbury Hospitals (MH) as well as the provision of coding and casemix advice to clinicians within NALHN resulting in accurate recording of clinical & morbidity data.

Direct Reports:

> Nil

Key Relationships/ Interactions:

Internal
> This position is part of Health Information Management Service and reports to Manager, Coding Services NALHN.
> The clinical coder will be required to liaise and interact with all levels of clinical staff regarding coding and clinical documentation.

External
> Department of Health & Wellbeing.

Challenges associated with Role:

Major challenges currently associated with the role include:
> APC data submission is required by the 16th of each month; internal deadline 5th working day of following month.
> Some travel may be required.

Delegations:
>   Nil

Key Result Area and Responsibilities

Key Result Areas	Major Responsibilities
Effective management and provision of a clinical coding service	> Ensure accurate, timely and detailed abstraction and classification of inpatient episodes of care on to the relevant Hospital database, according to ICD-10-AM (or subsequent versions), following established State & National guidelines and coding standards. > Provide support in the assistance to medical and other clinical personnel to ensure the allocation of ICD-10-AM diagnoses and procedure codes are correct and complete and can be substantiated by documentation within the medical record. > Ensure ethical Documentation Queries are completed, when required, to support accurate and comprehensive morbidity & casemix profile for NALHN; providing advice and support to clinical staff to ensure clinical documentation improvement. > Ensure the maintenance of medical record procedures in relation to the coding unit. > Access all patient information for each episode via Sunrise or associated computer systems to ensure accurate coding of inpatient data. > Demonstrate competence in the knowledge of the APC data collection process, definitions and procedures to a competent level. > Demonstrate competence in the knowledge of Activity Based Funding and DRG principles. > Compliance with Clinical Coding ethical standards and the Coders Creed.
Education and Training	> Demonstrate competence in using 3M Australia Coding and grouping software. Attend regular up-skilling in an ongoing manner to maintain knowledge. > Have a competent level of knowledge of the South Australian and Australian Health systems. > Participate in relevant courses and educational sessions at hospital, state and national level, for continuing and further education purposes including undertaking the La Trobe University Clinical Coding Auditing Course. > Update ICD-10-AM coding books (or subsequent versions) in accordance with State and National guidelines. > Update SA coding standards Morbidity and Mortality. > Participate in regular technical and coding staff meetings. > Contribute to a culture of knowledge sharing to achieve high quality documentation and coding outcomes.

Quality improvements in performance and service throughout the department	> Contribute to the effectiveness and efficiency of the coding unit by participating in regular audits, quality and KPI activities:
	  - Complete and maintain record of Documentation Queries.
	  - Check and update PICQ/RISQ notifications; APC edits.
	  - Reviewing AR-DRG allocation in conjunction with associated information such as length of stay, specialty, legal status and care type.
	  - Accept responsibility for the follow-up and correction of personal coding errors where applicable.
	> Assist in the organisation and prioritisation of the overall workload as a member of the coding team.
	> Liaise with fellow coders and Manager, Coding Services re: queries or

		problems in determining appropriate codes to ensure and maintain consistency.
Other	>	Other associated duties as required by Manager, Coding Services.

Knowledge, Skills and Experience

ESSENTIAL MINIMUM REQUIREMENTS

Educational/Vocational Qualifications:

> Satisfactory completion of the Health Information Management Association of Australia (HIMAA) coding course, together with demonstrated competency in ICD-10-AM coding.

Personal Abilities/Aptitudes/Skills:

> Demonstrated ability to extract information from medical records and integrate and interpret this information to produce accurate and complete morbidity data.
> Ability to liaise and communicate effectively with all levels of staff.
> Demonstrated ability to work independently and within a team environment.
> Proven initiative and sound organisational skills to prioritise workload and perform under pressure to meet demanding deadlines.
> Proven positive interpersonal skills with demonstrated ability to respond appropriately with a customer service focus to patients and multidisciplinary staff.

Experience:

> Previous experience working within a Coding Unit as a qualified Clinical Coder.
> Previous experience of working with medical record documentation, practices, and procedures.
> Demonstrated ability in data collection and analysis.

Knowledge:

> Knowledge and ability to apply State and National coding guidelines.
> Knowledge of APC and Activity Based Funding definitions and procedures.
> Understanding of the Australian National Safety & Quality Health Service Standards.
> Understanding of Work Health and Safety principles and procedures.

DESIRABLE CHARACTERISTICS

Educational/Vocational Qualifications:

>

Personal Abilities/Aptitudes/Skills:

> Proven ability to use initiative and diplomacy to achieve objectives.
> Demonstrated initiative and self-motivation.
> Demonstrated ability to analyse and solve problems.

Experience:

> Proven experience in basic computing skills, including email and word processing.
> Previous experience with 3M Codefinder.

Knowledge:

> Knowledge of Microsoft Office software applications.
> Knowledge of hospital policies and procedures such as Confidentiality and Code of Fair Information principles and procedures; Occupational Health, Safety and Welfare principles and procedures; Equal Employment Opportunity principles and procedures.
> Quality Improvement principles and procedures.
> Knowledge of patient related services and policies.

Special Conditions:

> It is mandatory that no person, whether or not already working in SA Health, may be appointed to a position in SA Health unless they have provided a satisfactory current Criminal and Relevant History Screening, as required by the *SA Health Criminal and Relevant History Screening Policy Directive*.

> *For appointment in a Prescribed Position* under the *Child Safety (Prohibited Persons) Act (2016),* a current Working with Children Check (WWCC) is required from the Department for Human Services Screening Unit. For other positions, a satisfactory National Police Certificate (NPC) assessment is required.

> For *'Prescribed Positions'* under the *Child Safety (Prohibited Persons) Act (2016),* the individual's WWCCs must be renewed every 5 years from the date of issue; and for '*Approved Aged Care Provider Positions*' every 3 years from date of issue as required by the *Accountability Principles 2014* issued pursuant to the *Aged Care Act 1997* (Cth).

> Appointment is subject to immunisation risk category requirements. There may be ongoing immunisation requirements that must be met.

> Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.

> The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.

General Requirements:

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Directives, Determinations and Guidelines, and legislative requirements including but not limited to:

> *Work Health and Safety Act 2012 (SA)* maintaining your own health and safety and not place others at risk and comply with any reasonable instruction that is given to allow SA Health to comply with the WHS Act, and when relevant WHS Defined Officers must meet due diligence requirements.

> *Return to Work Act 2014* (SA), facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.

> Meet immunisation requirements as outlined by the *Immunisation for Health Care Workers in South Australia Policy Directive.*

> Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).

> *Children and Young People (Safety) Act 2017* (SA) 'Notification of Abuse or Neglect'.

> Disability Discrimination.

> *Independent Commissioner Against Corruption Act 2012* (SA).

> *Information Privacy Principles Instruction.*

> Relevant Awards, Enterprise Agreements, *Public Sector Act 2009, Health Care Act 2008* and the *SA Health (Health Care Act) Human Resources Manual.*

> Relevant Australian Standards.

> Duty to maintain confidentiality.

> Smoke Free Workplace.

> To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.

> Applying the principles of the *South Australian Government's Risk Management Policy* to work as appropriate.

The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards and participating in quality improvement activities as necessary.

Performance Development:

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Commitment:

NALHN welcomes and respects Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. In acknowledgement of this, NALHN is committed to increasing the Aboriginal and Torres Strait Islander Workforce.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Organisational Context

SA Health

SA Health is committed to protecting and improving the health of all South Australians by providing leadership in health reform, public health services, health and medical research, policy development and planning, with an increased focus on wellbeing, illness prevention, early intervention and quality care.

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health, the Minister for Health & Wellbeing. The State Government has reformed the governance of SA Health, including establishing 10 Local Health Networks (LHNs), each with its own Governing Board.

These reforms have taken a staged approach, with the most significant changes to taking place from 1 July 2019 when the new Governing Boards become fully operational.

SA Health is comprised of the Department for Health and Wellbeing and the following legal entities:

> Central Adelaide Local Health Network
> **Northern Adelaide Local Health Network**
> Southern Adelaide Local Health Network
> Women's and Children's Health Network
> Barossa Hills Fleurieu Local Health Network
> Eyre and Far North Local Health Network
> Flinders and Upper North Local Health Network
> Riverland Mallee Coorong Local Health Network
> Limestone Coast Local Health Network
> Yorke and Northern Local Health Network
> SA Ambulance Service

Northern Adelaide Local Health Network

The Northern Adelaide Local Health Network (NALHN) provides care to more than 400,000 people living in the northern metropolitan area of Adelaide as well as providing a number of state-wide services, and services to those in regional areas. NALHN works to ensure quality and timely delivery of health care, whilst building a highly skilled, engaged and resilient workforce based on a culture of collaboration, respect, integrity and accountability.

NALHN offers a range of primary health care services across the northern metropolitan area of Adelaide, with a focus on providing preventive and health promoting programs in the community, and transition and hospital substitution and avoidance programs targeted at chronic disease and frail aged.

Clinical leadership of care systems is central to the current national and state wide health reforms. NALHN care delivery is configured within clinical divisions that are patient–focused, clinically led groupings of services. Clinical Divisions are responsible for managing service delivery activities across NALHN campuses and units, bringing together empowered experts to directly make relevant decisions.

NALHN includes:
> Lyell McEwin Hospital (LMH) - a 336-bed specialist referral public teaching hospital which has links to the University of Adelaide, University of South Australia and Flinders University. LMH provides a full range of high-quality medical, surgical, diagnostic, emergency and support services.
> Modbury Hospital is a 174-bed, acute care teaching hospital that provides inpatient, outpatient, emergency services, Aged Care, Rehabilitation and Palliative Care. GP Plus Health Care Centres and Super Clinics
> Aboriginal Health Services
> Mental Health Services (including two statewide services – Forensics and Older Persons)
> Sub-acute Services

The total operating budget for 23/24 for NALHN is $1.02 bn with a workforce of 4,710 FTE / 6,325 head count.

NALHN Governing Board

The Governing Board members bring to NALHN a wealth of knowledge and experience across many areas.

NALHN is confident that with the support of our highly qualified Governing Board, NALHN will be well placed to achieve better health service decisions tailored to local needs and deliver a safe, high quality and financially sustainable LHN into the future.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

> We are committed to the values of integrity, respect and accountability.
> We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
> We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

> Democratic Values - Helping the government, under the law to serve the people of South Australia.
> Service, Respect and Courtesy - Serving the people of South Australia.
> Honesty and Integrity - Acting at all times in such a way as to uphold the public trust.
> Accountability - Holding ourselves accountable for everything we do.
> Professional Conduct Standards - Exhibiting the highest standards of professional conduct.

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics, and contribute to a culture of integrity within SA Health.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
