ROLE CONTEXT

Primary Objective(s) of role:

Provide nursing and/or midwifery services in a variety of health service settings which has been consolidated by experience and/or further study with staff at this level developing from competent to proficient practitioners.

Accepts accountability for their own practice standards, activities delegated to others and the guidance and development of less experienced staff.

Provide support to the Nursing/Midwifery Nurse/Midwife Unit Manager or equivalent in the leadership of nurses/midwives in the ward/unit/service.

Employees in this role will undertake a portfolio within which they will:

- > Promote continuity and consistency of care in collaboration with other AN/MUM and the Nurse/Midwife Unit Manager or equivalent.
- > Assist the Nurse/Midwife Unit Manager or equivalent in the implementation of practice changes; and
- > Assist the Nurse/Midwife Unit Manager or equivalent in undertaking ward/unit/service management responsibilities, e.g. Performance management processes, recruitment, staffing, leave management, rostering, work allocation and attendance management, financial and supplies planning and monitoring.

Direct Reports:

- Provides clinical supervision and support to Registered Nurses, enrolled nurses and personal care workers within the Aged Care Facility. This role supports the Nurse Unit manager who manages direct reporting relationships with the staff at Kara house.
- Assists the NUM by undertaking performance review and development planning with the staff working within the specialty Aged Care environment

Key Relationships/ Interactions:

Internal

- > The Associate Nurse/Midwife Unit Manager maintains a close working relationship Clinical Nurse/Midwife (Level 2) and supports the role of the Nursing/Midwifery Unit Manager.
- > Maintains cooperative and productive working relationships within all members of the health care team.
- > Supports and works collaboratively with less experienced members of the nursing team.
- > Works collaboratively with Administration team and Nursing Director to plan theatre schedules and service provision
- > Works effectively with YNLHN Care of the older person team to ensure compliance and Aged care quality standards are met

External

- > Works collaboratively with external visiting clinicians to ensure best practice service provision
- > Maintains relationships with non-government organisations or other government organisations.
- > Liaises with Aged Care Support services to ensure appropriate assessment and care

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Keeping up to date with, implementing and monitoring evidence-based practice and quality management initiatives consistent with organisational policies
- > Dealing appropriately and relevantly with patients of all ages (including children) where there are multiple complexities, diverse cultural backgrounds and expectations of clients
- > Accepting responsibility for the maintenance of own knowledge and professional competence and contemporary practices.

Delegations:

- > Nil associated with this role

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

It is your responsibility to actively participate in the Performance Review & Development Program which will include a six (6) monthly review of your performance against the responsibilities and key result areas associated with your position and a requirement to demonstrate appropriate behaviours which reflect a commitment to South Australian Public Sector and Yorke & Northern Local Health Network values and strategic directions.

General Requirements:

OFFICIAL

*NB References to legislation, policies and procedures includes any superseding versions

- > Relevant Awards, Enterprise Agreements, *Public Sector Act 2009 (SA)*, *Health Care Act 2008 (SA)*, and the SA Health (Health Care Act) Human Resources Manual.
- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.
- > *Health Practitioner Regulation National Law (South Australia) Act 2010*
- > *Mental Health Act 2009 (SA)* and Regulations
- > *Controlled Substances Act 1984 (SA)* and Regulations
- > The Nursing and Midwifery Board of Australia Registration Standards (including the Guidelines and Assessment Frameworks for Registration Standards)
- > The Nursing and Midwifery Board of Australia Professional Practice Codes and Guidelines (including Competency Standards, Codes of Ethics and Professional Conduct, Decision Making Framework and Professional Boundaries)
- > Professional Practice Standards and competencies consistent with area of practice as varied from time to time
- > SA Health / Yorke & Northern Local Health Network policies, procedures and standards.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Statement:

Yorke & Northern Local Health Network welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge, and life experiences they bring to the workplace. This LHN is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture.

Special Conditions:

*NB Reference to legislation, policies and procedures includes any superseding versions

- > It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory National Police Certificate (NPC).
- > Prescribed Positions under the Child Safety (Prohibited Persons) Act 2016 must obtain a satisfactory Working With Children Check (WWCC) through the Department of Human Services (DHS) Screening Unit.
- > Approved Aged Care Provider Positions as defined under the Accountability Principles 1998 made in pursuant to the Aged Care Act 2007 (Cth) must obtain a satisfactory National Police Certificate (NPC) through the South Australian Police confirming the clearance is for the purpose of unsupervised contact with vulnerable groups.
- > Prescribed positions under the Disability Services Act 1993 must obtain a satisfactory Disability Services Employment Screening through the Department of Human Services (DHS) Screening Unit
- > NPCs and DHS Disability Services Employment Screenings must be renewed every 3 years thereafter from date of issue.
- > WWCCs must be renewed every 5 years thereafter from date of issue.
- > The position is primarily located at the Clare Hospital but the incumbent maybe required to work from other sites within the Yorke and Northern Local Health Network
- > Must be an Australian Resident or hold a current working visa.
- > Current driver's license and willingness to drive.
- > The incumbent will be required to participate in the 24/7 theatre on-call roster
- > Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the Public Sector Act 2009 for Public Sector employees or the SA Health (Health Care Act) Human Resources Manual for Health Care Act employees.
- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- > The incumbent may be required to undertake further study to obtain a qualification which supports the needs of the health unit. Where further study is required, Yorke & Northern Local Health Network . will provide support and assistance in accordance with provisions of the SA Health (Health Care Act) Human Resources Manual. Note, however, this Special Condition does not apply to existing LHN employees with continuous employment within the LHN which commenced prior to 1 October 2016.

ORGANISATIONAL CONTEXT

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer, and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care, and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological, and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Barossa Hills Fleurieu Local Health Network, Eyre and Far North Local Health Network, Flinders and Upper North Local Health Network, Limestone Coast Local Health Network, Riverland Mallee Coorong Local Health Network, Yorke and Northern Local Health Network and SA Ambulance Service.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

Local Health Networks aspire to be the best provider of rural and remote health services in Australia. LHN's through the inspiration and hard work of its people, deliver high quality and innovative health services to improve health outcomes for country South Australians. LHN's deliver a comprehensive range of health services in hospital and community settings according to population needs. It focuses on integrating its service delivery with metropolitan hospitals and other service providers in country locations. The safety and quality of health services in country South Australia is of primary importance. LHN's participate in rigorous national accreditation processes and engage local community members to provide insight and knowledge of the needs of consumers and potential strategies to achieve the best service.

Clare Hospital and Health Service provides a comprehensive range of services which include emergency, medical, surgical, maternity and aged care services to patients and residents and surrounding communities including the Lower and Mid North areas.

The role of the Clare Hospital and Kara House is to assist individuals of any age/socio-economic group to maintain health and wellness through the provision of safe, effective and quality.

VALUES

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect, and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The Code of Ethics for the South Australian Public Sector provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics and contribute to a culture of integrity within SA Health.

SA Health acknowledges culture and identity as being integral to Aboriginal health and wellbeing and is committed to improving the health of Aboriginal people.

SA Health vision for Reconciliation is the gap is closed on Aboriginal health disadvantage; and Aboriginal people share the same rights, respect and access to opportunities and benefits as all South Australians.
