Government of South Australia | Health Eyre and Far North Local Health Network

POSITION DESCRIPTION

Job Title	Advanced Stroke Coordinator	**Classification**	AHP4	**Position Number**	POS TBA
LHN	Eyre & Far North Local Health Network (EFNLHN)	**Term**	As per Contract	**Position Created**	September 2026
Area	Community & Allied Health	**FTE**	As per Contract	**Last Updated**	September 2026
Criminal History Clearance Requirements:	☒ NPC/NCCHC – Unsupervised contact with vulnerable groups ☒ DHS Working with Children Check (WWCC) ☒ NDIS Worker Screening				
Immunisation Risk Category:	☒ Category A (direct contact with blood or body substances) ☐ Category B (indirect contact with blood or body substances) ☐ Category C (minimal patient contact)				

Broad Purpose of the Position

The Advanced Stroke Coordinator is a recognised clinical expert in stroke and rural clinical practice, clinically accountable and responsible for the clinical governance and leadership of stroke services across the EFN Local Health Network.

The Advanced Stroke Coordinator ensures stroke best practice standards are maintained in the EFNLHN. This is achieved by:

- providing clinical leadership and expert consultancy services to EFNLHN executive, managers, service providers, clinicians and consumers carers requiring specialist stroke care
- Providing an expert clinical complex / case coordination / consultative service to wards, units and departments in facilitating integrated assessment, care planning, service delivery and discharge coordination of eligible consumers.
- developing networks and coordination of stroke care services across inpatient and community contexts with staff and key stakeholders across EFNLHN
- monitoring patient outcomes and compliance with treatment protocols and working with key health professionals within the multidisciplinary stroke care team
- developing and facilitating access to professional development, training and clinical support activities for stroke and stroke patients
- ensuring compliance with professional standards and clinical governance protocols, including the Regional LHN Allied Health Professional Supervision Framework *and* the SA Health Policy Directive and regional LHN Procedure for Credentialing of Allied and Scientific Health Professionals.
- leading relevant service development and workforce initiatives consistent with the regional LHN priorities, State and National health reform agendas
- fostering a culture of continuous improvement, learning and development, including by promoting research, application of evidence into practice, and working in partnership with universities
- The position identifies, implements and monitors outcomes measures for all stroke service activities across EFNLHN, leads and undertakes the analysis and reporting of complex data and information on stroke services.
- collaborating with other Stroke Coordinators, Senior Managers and stakeholders across regional LHNs, SA Health and beyond
- collaboration with Australian Stroke Coalition, Australian Stroke Alliance, National Stroke Foundation to work towards Regional Stroke Certification

POSITION DESCRIPTION

Government of South Australia | Health Eyre and Far North Local Health Network

Employees in this role will work toward the achievement of Stroke Capable Regional General Hospital (SCRGH) status and achieving the 30/60/90 National Stroke Targets.

Qualifications

Must hold a recognised qualification within the relevant Allied Health profession and be eligible for (full) membership of the [relevant Professional Association]. For those professions requiring Registration all requirements to obtain and maintain current practicing registration must be fulfilled. For self-regulated professions it is desirable to participate in the professional associations' accredited continuing professional development program.

Confidentiality and Handling of Official Information

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.
SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.
SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures, or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Statement

The Eyre and Far North Local Health Network Inc. welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. The Eyre and Far North Local Health Network Inc. is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture.

Resilience

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

It is your responsibility to actively participate in the Performance Review & Development Program which will include a six (6) monthly review of your performance against the responsibilities and key result areas associated with your position and a requirement to demonstrate appropriate behaviours which reflect a commitment to South Australian Public Sector and SA Health values and strategic directions.

General Requirements

*NB References to legislation, policies and procedures includes any superseding versions

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- Work Health and Safety Act 2012 (SA) - maintaining your own health and safety and not place others at risk and comply with any reasonable instruction that is given to allow SA Health to comply with the WHS Act and when relevant WHS Defined Officers must meet due diligence requirements.

- *Return to Work Act 2014 (SA)*, facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.
- Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).
- *Children and Young People (Safety) Act 2017* (SA) 'Notification of Abuse or Neglect'
- Disability Discrimination.
- Independent Commissioner Against Corruption Act 2012 (SA).
- SA Information Privacy Principles.
- Relevant Awards, Enterprise Agreements, *Public Sector Act 2009 (SA)*, *Health Care Act 2008 (SA)*, and the SA Health (Health Care Act) Human Resources Manual.
- Relevant Australian Standards.
- Duty to maintain confidentiality.
- Smoke Free Workplace.
- To create an inclusive and responsive environment where Aboriginal and Torres Strait Islander consumers are welcomed, valued and respected for their cultural knowledge and lived experiences. Our commitment extends to enhancing culturally safe workplaces by investing in our Aboriginal and Torres Strait Islander workforce, aligning with the SA Health Aboriginal Workforce Framework.
- To elevate the cultural capability of our non-Aboriginal staff, ensuring they can drive meaningful improvements in the health system, policies, planning and practices. This ensures our services are responsive to the cultural needs identified by Aboriginal and Torres Strait Islander people.
- *Mental Health Act 2009 (SA)* and Regulations.
- *Controlled Substances Act 1984 (SA)* and Regulations.
- SA Health / EFNLHN policies, procedures, guidelines and standards.
- The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards and participating in quality improvement activities as necessary.
- SA Health Respectful Behaviour (including management of bullying and harassment) Policy.

Special Conditions

- A current driver's license is essential, as is a willingness to drive on country roads and travel in light aircraft as required. Intra state travel will be required; interstate travel may be required.
- Flexibility and some out of hour's work may be required.
- It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory National Police Certificate (NPC) / Nationally Coordinated Criminal History Check (NCCHC).
- Prescribed Positions under the Child Safety (Prohibited Persons) Act 2016 must obtain a satisfactory Working with Children Check (WWCC) through the Screening and Licensing Unit, Department for Human Services (DHS).
- Approved Aged Care Provider Positions as defined under the Accountability Principles 1998 made in pursuant to the Aged Care Act 2024 (Cth) must obtain a satisfactory National Police Certificate (NPC) through the South Australian Police or a Nationally Coordinated Criminal History Check (NCCHC) confirming the clearance is for the purpose of employment involving unsupervised contact with vulnerable groups.
- Risk-Assessed roles under the National Disability Insurance Scheme (Practice Standards – Worker Screening Rules 2018) must obtain a satisfactory NDIS Worker Screening Check through the Department of Human Services (DHS) Screening Unit.
- National Police Certificates/ Nationally Coordinated Criminal History Check must be renewed every 3 years thereafter from date of issue.
- Working With Children Checks must be renewed every 5 years thereafter from date of issue.

- NDIS Worker Screening Check must be renewed every 5 years thereafter from date of issue.
- Appointment is subject to immunisation risk category requirements. There may be ongoing immunisation requirements that must be met.
- The position is primarily located at EFNLHN but the incumbent maybe required to work from other sites within EFNLHN area.
- Must be an Australian Resident or hold a current working visa.
- Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the Public Sector Act 2009 for Public Sector employees or the SA Health (Health Care Act) Human Resources Manual for Health Care Act employees.
- The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- Will be required to comply with the requirements of the SA Health Policy 'Credentialing and Defining Scope of Clinical Practice for Allied and Scientific Health Professionals' as well as the Regional LHN Procedure for Credentialling Allied Health and Scientific Health Professionals.
- Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.
- May be required to maintain a clinical caseload or clinical supervision responsibilities, the proportion of which could be subject to change, commensurate with other management / project / education / research responsibilities

Key Relationships

- Reports to the EFNLHN Executive Director, Community and Allied Health in accordance with the Allied Health Clinical Governance Framework for SA Health Regional Local Health Networks.
- Expected to negotiate own formal clinical supervision arrangement, in accordance with the Regional Local Health Network Allied Health Professional Supervision Framework in combination with the SA Health Allied Health Professional Supervision Framework.
- Works within a multi-disciplinary team approach, in collaboration with other health professionals and service providers.
- Maintains close collaborative working relationships with regional LHN senior and operational managers, and all health professionals working within emergency and rehabilitation services, with stroke focus.
- Works closely with and maintains cooperative and productive working relationships with the RSS Stroke Clinical Lead, Stroke Nurse Consultant and other Stroke Coordinators and stakeholders within the LHNs, RSS and South Australia.
- Maintains cooperative and productive working relationships, including with the relevant Professional Association(s), government and non-government organisations including Australian Stroke Alliance, Stroke Foundation - Australia, Australian Stroke Coalition and Australian Stroke Clinical Registry (AusCR).
- Provides representation on relevant regional LHN and SA Health committees.
- May be required to temporarily fulfill a higher position, appropriate to the skills and capacity of the incumbent.

Key Result Areas	Generic Requirements	Specific or Local Requirements
1. Technical Skills and Application	1.1 Apply specialist professional expertise (including as a *Rural Generalist* or within a specific discipline specialty) in the provision of complex clinical and / or consultancy services across regional LHNs and / or within the relevant professional networks. 1.2 Operate with professional independence, clinical competence and highly developed reflective-practice skills, drawing on professional direction in the application of new or sophisticated techniques.	• Maintain and apply expert skills and significant professional judgement in Stroke practice. • Contribute to the identification, establishment and implementation of clinical protocols crucial to the provision of Stroke services across EFNLHN, in accordance with the Clinical Care Standards and National and State Clinical Guidelines.

	1.3 Apply detailed knowledge of EFNLHN strategic directions, health unit operations, service delivery and workforce issues, and very high-level professional skills to achieve responsibilities of a complex and varied nature. 1.4 Provide advice to management on professional service development, practice and redesign, in response to demand and client needs.	• Provide clinical leadership and facilitate service planning and prioritisation to ensure clinical best practice underpins the development of stroke services across the LHN. • Provide expert clinical and strategic advice to regional LHN Senior Managers and Executive on clinical matters affecting stroke service planning decisions, policy and workforce. • Provide expert consultancy services to service providers and consumers with complex needs.
2. Personal and Professional Development	2.1 Exercise significant professional judgment when drawing on detailed knowledge of regional LHNs, State-wide and National initiatives, and expert specialist knowledge of contemporary methods, principles and practice. 2.2 Display a commitment to continuous personal and professional development by: a. Attending all mandatory training and actively pursuing professional development to maintain currency of clinical knowledge. b. Seeking mentorship and support from diverse peers, utilising extensive professional networks and strong relationships with Universities, Professional Associations and other key stakeholders. c. Actively participate in the Professional Review and Development (PR&D) process, including developing and pursuing a personal / professional development plan in consultation with your line manager. 2.3 Facilitate the development of knowledge of effective practice by encouraging and contributing to research, evaluation of services, and information sharing between health professionals across regional LHNs and SA, through relevant networks and forums. 2.4 May have *managerial or project management responsibilities* including: a. Manage overall workforce and professional service strategies, priorities, work standards and the allocation of resources within a work unit, professional network or across regional LHNs. b. Initiate and manage complex projects, significant programs and major investigations of crucial importance to achieving EFN LHN corporate goals. 2.5 As a Stroke Coordinator, may be required to: a. Initiate, coordinate, promote and participate in research projects relevant to the profession / AHP evidence-based practice and / or service improvement involving a number of professional disciplines	• Provide clinical leadership and professional support to regional LHN clinicians involved in the delivery of stroke services. • Provide clinical education for EFNLHN staff and professional students and facilitate access to training and development opportunities for EFNLHN professionals. • Facilitate or lead clinical research and undertake quality evaluation in Stroke care/service provision. • Utilise a range of strategies to maintain a contemporary knowledge and understanding of emerging practice, policy and legislation of relevance to stroke care. • Foster close working relationships with Australian Stroke Coalition, National Stroke Foundation and Australian Stroke Alliance ▪ Apply highly developed prioritisation, time management & negotiation skills to maximise the effectiveness of the role.
3.	3.1 Treat all clients with respect, identifying and pursuing opportunities to work in partnership with stakeholders to improve the quality of regional LHN Stroke services.	▪ Advocate for key stakeholders (including clinicians, managers, other providers and consumers) to be consulted in the development of Stroke workforce

Client / Customer Service	3.2 Promote cultural safety by valuing and promoting the cultural needs of local communities and providing advice on service or system-level changes required at the EFN LHN to meet these needs. 3.3 As a clinical / professional leader, contribute to improvement the patient-journey driven distribution of services and ensuring client-centred practice and community engagement principles are embedded into the planning, delivery and evaluation of services.	and service models, particularly to ensure the needs of high risk / vulnerable groups are considered. ▪ Carry a clinical load and/or provide expert advice on the appropriate management of complex / challenging cases, as negotiated with the host site. ▪ Consult and engage with consumers, carers, and service providers to identify needs, and ensure needs of First Nations, high risk and minority consumer groups are met in the development of stroke services.
4. Administration and Documentation	4.1 Comply with organisational requirements for the accurate and timely completion of documentation and statistics. 4.2 Proactively question existing practices and use of EFN LHN and regional LHN resources, and support clinicians to pursue appropriate alternatives where necessary. 4.3 Prepare comprehensive, high-level reports and / or presentations to assist management and executive decision making. 4.4 Appropriately identify, use and apply relevant policies, procedures, reporting and documentation systems. 4.5 Competently utilise the Microsoft Office suite of software, email and internet in fulfilling the requirements of the role. 4.6 May be required to initiate and manage programs and / or projects which may include management of a multi-professional project team.	▪ Support clinical leaders and managers to develop and utilise appropriate clinical and administrative resources and facilitate sharing of resources across regional LHNs. ▪ Accurately report against Stroke Care Key Performance Indicators or other reporting parameters as required by the service and/or EFNLHN ▪ Develop appropriate clinical and administrative resources to inform stroke clinical practice and services in EFNLHN. ▪ Apply high level professional writing skills to the preparation of reports, documents and briefings as required.
5. Teamwork and Communication	5.1 Contribute to strategic workforce planning and service development, to ensure services are effective, efficient, equitably distributed (according to need) and based on evidence. 5.2 Promote intra-disciplinary collaboration between clinicians across regional LHNs and the development of inter-professional and across-sector partnerships to improve the quality, safety and integration of services. 5.3 Apply high level interpersonal skills which engender the trust, cooperation and commitment of others to work together to achieve change. 5.4 Communicate and negotiate effectively, both verbally and in writing, at all levels within the LHN and with external agencies. 5.5 Provide clinical leadership in the application of the LHN's strategic directions, values and priorities within the relevant discipline and / or specialty area(s).	• Facilitate collaboration across EFN LHN sites regarding Stroke care and lead the pursuit of Stroke quality initiatives. • Represent Stroke Services/care, allied health or regional LHNs on relevant committees. • Facilitate and provide clinical leadership in the planning and development of Stroke services across regional LHNs. • Develop and maintain strong clinical networks with key stakeholders to facilitate sharing of information, effective use of resources, integration of services and

			a smooth patient journey for country people requiring stroke and allied health services. • Produce high quality communications across a range of stakeholders.
6. Continuous Improvement	6.1 Be flexible, adaptable and innovative in a changing workplace, critically examining safety and quality issues, practices and systems, and developing practical and creative solutions. 6.2 Where appropriate, contribute to the investigation of client complaints and preparation of Ministerial Briefings related to the scope of the role, with a view to informing systematic improvements to services across regional LHNs. 6.3 Contribute to service development through profession-specific, multi-professional and trans-professional research and evaluation, applying high level self-reflective practice skills, assessing and reviewing the standards of work of other professional officers, and producing recommendations to assist Management / Executive decision making. 6.4 Complying with the Code of Ethics for Public Sector Employees.		• Lead improvements in the quality and safety of stroke services, including facilitating relevant whole-of-EFN LHN activities required to achieve accreditation and compliance with national standards, legislation and organisational policies. • Support and provide advice to the EFNLHN Executives regarding the ongoing review and improvement of stroke services across the LHN. • Lead working parties, committees and other relevant meetings

POSITION DESCRIPTION

Government of South Australia | Health Eyre and Far North Local Health Network

ORGANISATIONAL CONTEXT

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care, and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological, and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing.

The legal entities include but are not limited to Department for Health and Wellbeing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Barossa Hills Fleurieu Local Health Network, Eyre and Far North Local Health Network, Flinders and Upper North Local Health Network, Limestone Coast Local Health Network, Riverland Mallee Coorong Local Health Network, Yorke and Northern Local Health Network and SA Ambulance Service.

SA Health Goals and Strategies:

The achievement of key SA Health goals, directions and strategies are articulated within the following:

> South Australian Health and Wellbeing Strategy 2020-2025
> State Public Health Plan 2019-2024
> SA Health Strategic Clinical Services Plan 2021-2031
> SA Mental Health Services Plan 2020-2025
> SA Health Clinical Services Capability Framework

POSITION DESCRIPTION

Government of South Australia | Health Eyre and Far North Local Health Network

Eyre and Far North Local Health Network:

Our Local Health Network (LHN) is responsible for the planning and delivery of hospital and health services over 337,626 square kilometres, taking in the Eyre Peninsula, western part of South Australia and north of Coober Pedy. It supports approximately 40,000 people.

Services provided within the Eyre and Far North region include accident and emergency, day and inpatient surgery, Aboriginal health, mental health, obstetric services, chemotherapy, renal dialysis, community and allied health, and aged care and disability services.

We have Health facilities located within Port Lincoln, Tumby Bay, Cummins, Lock, Elliston, Streaky Bay, Wudinna, Kimba, Cleve, Cowell, Ceduna and Coober Pedy.

The health units within the Eyre and Far North LHN have dedicated and experienced staff who strive to meet the needs of the community by providing the highest level of health care.

Values:

SA Health Values
The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

> We are committed to the values of integrity, respect and accountability.
> We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
> We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

EFNLHN Values
The values of EFNLHN express the type of conduct required by our employees to further our vision to be a trusted provider of accessible, responsive, and innovative health, disability, and aged care services to support the wellbeing of our diverse communities.

Kind	Respectful	Accountable	Courageous
✓ Providing kind and compassionate care	✓ Every individual and their uniqueness	✓ Taking responsibility for all that we do	✓ Overcoming challenges and striving for excellence
✓ Putting our consumers at the centre of everything we do	✓ Actively listening to different perspectives and experiences, and celebrating diversity	✓ Acting with integrity at all times	✓ Curiosity, sharing ideas, exploring what's possible and solving problems
✓ Taking the time to understand others	✓ Being open-minded and empathetic towards one another	✓ Following through on what we say we will do	✓ Adaptability and flexibility in delivering our services

POSITION DESCRIPTION

Government of South Australia | Health Eyre and Far North Local Health Network

Code of Ethics:

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics and contribute to a culture of integrity within SA Health.

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- Democratic Values - Helping the government, under the law to serve the people of South Australia.
- Service, Respect and Courtesy - Serving the people of South Australia.
- Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- Accountability- Holding ourselves accountable for everything we do.
- Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

Aboriginal Health:

SA Health acknowledges culture and identity as being integral to Aboriginal health and wellbeing and is committed to improving the health of Aboriginal people.

SA Health vision for Reconciliation is the gap is closed on Aboriginal health disadvantage; and Aboriginal people share the same rights, respect and access to opportunities and benefits as all South Australians.
