ROLE CONTEXT

Primary Objective(s) of role:

This position offers a unique opportunity to work across a number of teams within the Strategy & Governance Directorate as a Graduate. You will receive guidance and mentorship from experienced professionals, enabling you to develop essential skills in the following fields: project management, procurement, financial management, contract management, risk management, governance, assurance, and stakeholder engagement.

- > The Graduate Project Officer, Strategy & Governance will contribute to work across the division by assisting in day-to-day operations and long-term strategic projects.
- > This role will involve efficiently preparing reports, briefing notes, and actively contributing to divisional business plan projects, providing timely, accurate, and evidence-based advice and contributing to data analysis or finance or economic or statistical analysis on matters related to the Strategy & Governance Division.

Direct Reports:

- > Nil

Key Relationships/ Interactions:

Internal

- > Maintains cooperative and productive working relationships with relevant staff within the Strategy & Governance Division.
- > The role is required to liaise with Department for Health and Wellbeing staff to understand their information requirements, negotiate timeframes, and respond to routine reporting requirements.

External

- > The role may be required to liaise with staff across Local Health Networks. Some interaction may also occur with non-government organisations, private organisations, other public sector agencies and Commonwealth agencies. The position may also be required to liaise with external project stakeholders.

Challenges associated with Role:

Major challenges currently associated with the role include:

- > **Learning Curve:** Navigate a steep learning curve to grasp organisational processes, policies, and public health system specific knowledge.
- > **Time Management:** Efficiently balance multiple responsibilities, meeting deadlines for reports, projects, and advice provision.
- > **Professional Growth:** Embrace opportunities for continuous learning, development and networking to overcome challenges and thrive in the role.

Delegations:

- > Nil

- > Relevant Australian Standards.
- > Duty to maintain confidentiality.
- > Smoke Free Workplace.
- > To value and respect the needs and contributions of SA Health Aboriginal staff and clients and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.
- > Applying the principles of the *South Australian Government's Risk Management Policy* to work as appropriate.

The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards, and participating in quality improvement activities as necessary.

Performance Development:

The incumbent will be required to participate in the organisation's Performance Review and Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must always act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures, or guidelines issued by SA Health regarding acceptable workplace behaviour.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer, and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care, and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological, and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Barossa Hills Fleurieu Local Health Network Inc., Eyre and far North Local Health Network Inc., Flinders and Upper North Local Health Network Inc., Limestone Coast Local Health Network Inc., Riverland Mallee Coorong Local Health Network Inc., Yorke and Northern Local Health Network Inc. and SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Health Network/ Division/ Department:

Working within Strategy and Innovation Directorate, your skills will contribute to shaping South Australia's health future. As a graduate, you'll work across several dynamic branches, including Child Protection & Policy, Aboriginal Health, Governance Advisory, Strategy & Intergovernmental Relations, and Mental Health Strategy & Planning.

Each branch plays a crucial role in driving key initiatives, from safeguarding children's well-being to advancing Aboriginal health outcomes, ensuring effective governance, and leading health reforms. Be part of a team committed to innovation, collaboration, and excellence in health services for South Australians.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect, and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.

- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.
