Broad Purpose of the Position

The Podiatrist applies clinical experience, increasingly generalist and / or specialist clinical knowledge and professional competence to plan, implement and evaluate a comprehensive and integrated range of services, appropriate to the needs of the local community. The Podiatrist works under reduced clinical direction, and may contribute to the clinical supervision of less experienced allied health professionals, allied health assistants and students. As a member of a multi-disciplinary team, including health professionals and service providers from other sectors, the Podiatrist utilises a combination of preventative, early intervention, treatment / therapy and evaluation approaches.

Qualifications

Must hold a recognised qualification within the Podiatry profession, and be eligible for (full) membership of the Podiatry Board of Australia.

For those disciplines requiring Registration, all requirements to maintain current registration must be fulfilled. For self-regulated professions it is desirable to participate in the professional associations' accredited CPD program.

Handling of Official Information

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Statement

RMCLHN welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. RMCHN is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture
