Guide to submitting an application

Thank you for considering applying for a position within SA Health. Recruitment and Selection processes across SA Health are based on best practice and a commitment to a selection based on merit. This means treating all applications in a fair and equitable manner that aims to choose the best person for the position.

A well presented, easy to read application will allow the panel to assess the information they need from your application. To give yourself the best opportunity to reach interview, the application should clearly and concisely demonstrate to the selection panel that you are suitably equipped to perform the role, and that you possess all of the stated minimum essential skills, abilities, knowledge, experience and educational qualifications (where required).

The online application form to apply for this position will ask for employment history, education, qualifications and referees however to understand the position and requirements we suggest you become familiar with the attached Job and Person Specification.

We request that you attach the following to your application -

- ↳ **A covering letter** of up to 2 pages introducing yourself to the selection panel and describing your skills, abilities, knowledge, qualifications and experience in relation to the position;
- ↳ **A current Curriculum vitae/Resume** that includes your personal details, relevant employment history, education, training courses, qualifications and professional memberships.

* Refer to <http://www.sahealthcareers.com.au/information/> for further information regarding

- The Indicative Total Remuneration which is inclusive of Award salary, superannuation and other monetary benefits.
- Information for Applicants
- Criminal History Assessment requirements

ROLE CONTEXT

Primary Objective(s) of role:

Provide nursing and/or midwifery services in a variety of health service settings which has been consolidated by experience and/or further study with staff at this level developing from competent to proficient practitioners.

Accepts accountability for their own practice standards, activities delegated to others and the guidance and development of less experienced staff.

Provide support to the Nurse/Midwife Unit Manager or equivalent in the leadership of nurses/midwives in the ward/unit/service.

Employees in this role will undertake a portfolio within which they will:

- > Promote continuity and consistency of care in collaboration with other AN/MUM and the Nurse/Midwife Unit Manager or equivalent;
- > Assist the Nurse/Midwife Unit Manager or equivalent in the implementation of practice changes; and
- > Assist the Nurse/Midwife Unit Manager or equivalent in undertaking ward/unit/service management responsibilities, eg. Performance management processes, recruitment, staffing, leave management, rostering, work allocation and attendance management; financial and supplies planning and monitoring.

Key Relationships/ Interactions:

Internal

- > The Associate Nurse/Midwife Unit Manager maintains a close working relationship Clinical Nurse/Midwife (Level 2) and supports the role of the Nursing/Midwifery Unit Manager.
- > Maintains cooperative and productive working relationships within all members of the health care team.
- > Supports and works collaboratively with less experienced members of the nursing team.
- > Works to support paediatrics on the unit including paediatric leadership meeting and being a resource for other paediatric staff

External

- > Maintains relationships with non-government organisations or other government organisations.

Challenges associated with Role:

Major challenges currently associated with the role include:

- > Keeping up to date with, implementing and monitoring evidence based practice and quality management initiatives consistent with organisational policies
- > Dealing appropriately and relevantly with children, youth, women and their families where there are multiple complexities, diverse cultural backgrounds and expectations of clients
- > Accepting responsibility for the maintenance of own knowledge and professional competence and contemporary practices.
- > Leading a diverse team, with varying skill levels.

Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

General Requirements:

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Directives, Determinations and Guidelines, and legislative requirements including but not limited to:

- *Work Health and Safety Act 2012 (SA) and when relevant WHS Defined Officers must meet due diligence requirements.*
- *Return to Work Act 2014 (SA), facilitating the recovery, maintenance or early return to work of employees with work related injury / illness.*
- *Meet immunisation requirements as outlined by the Immunisation Guidelines for Health Care Workers in South Australia Policy Directive.*
- *Equal Employment Opportunities (including prevention of bullying, harassment and intimidation).*
- *Children's Protection Act 1993 (Cth) – 'Notification of Abuse or Neglect'.*
- *Disability Discrimination.*
- *Independent Commissioner Against Corruption Act 2012 (SA).*
- *Information Privacy Principles Instruction.*
- *Code of Fair Information Practice.*
- *Relevant Awards, Enterprise Agreements, Public Sector Act 2009, Health Care Act 2008, and the SA Health (Health Care Act) Human Resources Manual.*
- *Relevant Australian Standards.*
- *Duty to maintain confidentiality.*
- *Smoke Free Workplace.*
- *To value and respect the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery.*
- *Applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.*

The SA Health workforce contributes to the safety and quality of patient care by adhering to the South Australian Charter of Health Care Rights, understanding the intent of the National Safety and Quality Health Service Standards and participating in quality improvement activities as necessary.

Handling of Official Information:

By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.

SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.

SA Health employees will not misuse information gained in their official capacity.

SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

White Ribbon:

SA Health has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines issued by SA Health regarding acceptable workplace behaviour.

Cultural Statement:

The Limestone Coast Local Health Network welcomes Aboriginal and Torres Strait Islander people and values the expertise, cultural knowledge and life experiences they bring to the workplace. Limestone Coast Local Health Network is a culturally inclusive work environment that is respectful of Aboriginal and Torres Strait Islander culture

Special Conditions:

- > It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory Background Screening and National Criminal History Clearance.
- > Prescribed Positions under the Child Safety (Prohibited Persons) Act 2016 must obtain a satisfactory Working With Children Check (WWCC) through the Screening and Licensing Unit, Department for Human Services (DHS).
- > Approved Aged Care Provider Positions as defined under the Accountability Principles 1998 made in pursuant to the Aged Care Act 2007 (Cth) must obtain a satisfactory National Police Certificate (NPC) through the South Australian Police confirming the clearance is for the purpose of employment involving unsupervised contact with vulnerable groups.
- > Prescribed positions under the Disability Services Act 1993 must obtain a satisfactory Disability Services Employment Screening through the Department of Human Services (DHS) Screening Unit.
- > National Police Certificates must be renewed every 3 years thereafter from date of issue.
- > Working With Children Checks must be renewed every 5 years thereafter from date of issue.
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.
- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- > Appointment is subject to immunisation risk category requirements (see page 1). There may be ongoing immunisation requirements that must be met.

Organisational Context

Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Barossa Hills Fleurieu Local Health Network, Eyre and Far North Local Health Network, Flinders and Upper North Local Health Network, Limestone Coast Local Health Network, Riverland Mallee Coorong Local Health Network, Yorke and Northern Local Health Network and SA Ambulance Service.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Limestone Coast Local Health Network:

Residents within the Limestone Coast Local Health Network have access to a wide range of health care services. The Limestone Coast region covers a large geographical area which consists of the Upper and Lower South East, and extends all the way to the Victorian border.

Services provided within the South East region include accident and emergency, day and inpatient surgery, aboriginal health, obstetric services, community health and aged care services.

We have Health facilities located within Mount Gambier, Bordertown, Kingston, Millicent, Naracoorte and Penola. The links below can be used to navigate to detailed information on the different Hospital and Aged Care sites, as well as Country Health Connect.

The health units within the Limestone Coast LHN have dedicated and experienced staff who strive to meet the needs of the community by providing the highest level of health care.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
- > Accountability- Holding ourselves accountable for everything we do.
- > Professional Conduct Standards- Exhibiting the highest standards of professional conduct.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their profession.

Aboriginal Health

SA Health acknowledges culture and identity as being integral to Aboriginal health and wellbeing and is committed to improving the health of Aboriginal people.

SA Health vision for Reconciliation is the gap is closed on Aboriginal health disadvantage; and Aboriginal people share the same rights, respect and access to opportunities and benefits as all South Australians.
