Organisational Context

Organisational overview

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer, and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care, and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological, and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our legal entities

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Barossa Hills Fleurieu Local Health Network, Eyre and Far North Local Health Network, Flinders and Upper North Local Health Network, Limestone Coast Local Health Network, Riverland Mallee Coorong Local Health Network, Yorke and Northern Local Health Network and SA Ambulance Service.

SA Health challenges

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Values

SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- We are committed to the values of integrity, respect, and accountability.
- We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- Democratic Values - Helping the government, under the law to serve the people of South Australia.
- Service, Respect and Courtesy - Serving the people of South Australia.
- Honesty and Integrity - Acting at all times in such a way as to uphold the public trust.
- Accountability - Holding ourselves accountable for everything we do.
- Professional Conduct Standards - Exhibiting the highest standards of professional conduct.

As a public sector employee, you have a responsibility to maintain ethical behaviour and professional integrity standards. It is expected that you act in accordance with the Code of Ethics and contribute to a culture of integrity within SA Health.

The Code recognises that some public sector employees are also bound by codes of conduct relevant to their specific occupation and/or profession.

SA Health acknowledges culture and identity as being integral to Aboriginal health and wellbeing and is committed to improving the health of Aboriginal people.

SA Health vision for Reconciliation is the gap is closed on Aboriginal health disadvantage; and Aboriginal people share the same rights, respect and access to opportunities and benefits as all South Australians.
