POSITION DESCRIPTION

Position Title: Workplace Health and Safety Coordinator
Organisation Unit: Faculty of Health and Behavioural Sciences
Position Number: 3027811
Type of Employment: Part time continuing (0.6)
Classification: Hew Level 6

THE UNIVERSITY OF QUEENSLAND

The University of Queensland (UQ) contributes positively to society by engaging in the creation, preservation, transfer and application of knowledge. UQ helps shape the future by bringing together and developing leaders in their fields to inspire the next generation and to advance ideas that benefit the world. UQ strives for the personal and professional success of its students, staff and alumni. For more than a century, we have educated and worked with outstanding people to deliver knowledge leadership for a better world.

UQ ranks well within the top 100 universities worldwide, measured through a number of major independent university rankings: the Academic Ranking of World Universities, Times Higher Education World University Rankings, US News Best Global Universities Rankings, QS World University Rankings and Performance Ranking of Scientific Papers for World Universities, and is indeed in the top 50 in some of these rankings. Over the past 3 years for which audited data are available UQ has attracted the highest (2013) or second highest (2012, 2014) amount of research funding of any Australian university.

UQ has an outstanding reputation for the quality of its teachers, its educational programs and employment outcomes for its students. Our students remain at the heart of what we do. The UQ experience –the UQ Advantage – is distinguished by a research enriched curriculum, international collaborations, industry engagement and opportunities that nurture and develop future leaders. UQ has a strong focus on teaching excellence, winning more national teaching excellence awards than any other in the country and attracting the majority of Queensland’s highest academic achievers, as well as top interstate and overseas students.

UQ is one of Australia’s Group of Eight, a charter member of edX and a founding member of Universitas 21, an international consortium of leading research-intensive universities.

Our 50,000-plus strong student community includes more than 13,000 postgraduate scholars and more than 12,000 international students from 144 countries, adding to its proud 230,000-plus alumni. The University has about 7,000 academic and professional staff and a $1.7 billion annual operating budget. Its major campuses are at St Lucia, Gatton and Herston, in addition to teaching and research sites around Queensland and Brisbane city. The University has six Faculties and four University-level Institutes. The Institutes, funded by government and industry grants, philanthropy and commercialisation activities, have built scale and focus in research areas in neuroscience, biomolecular and biomedical sciences, sustainable minerals, bioengineering and nanotechnology, as well as social science research.
UQ has an outstanding track-record in commercialisation of our innovation with major technologies employed across the globe and integral to gross product sales of $11billion+ (see http://uniquest.com.au/our-track-record).

UQ has a rapidly growing record of attracting philanthropic support for its activities and will have further success in this area as an important strategic aim going forward.

**Faculty of Health and Behavioural Sciences**

The Faculty of Health and Behavioural Sciences is a strong faculty that has a coherent focus on health and well-being underpinned by a clear integrative theme related to preventative health and behaviour change. Furthermore, the Faculty provides the opportunity for the allied health sciences to have a strong voice and great visibility within the University.

The Faculty currently includes six schools and three research centres:

- School of Dentistry
- School of Health and Rehabilitation Sciences
- School of Human Movement and Nutrition Sciences
- School of Nursing, Midwifery and Social Work
- School of Pharmacy
- School of Psychology
- Centre for Youth Substance Abuse Research
- RECOVER Injury Research Centre
- Queensland Alliance for Environmental Health Sciences (QAEHS)

Information about the Faculty may be accessed on the Faculty's web site at http://www.habs.uq.edu.au/

**School of Nursing, Midwifery and Social Work**

The School of Nursing, Midwifery and Social Work established in 2015, is a new School that has been created as a result of the merging of the School of Nursing and Midwifery and the School of Social Work and Human Services. The School will be a leader in the study of nursing, midwifery, social work and human services, demonstrating excellence through innovative, creative, and dynamic teaching and research, in a vibrant, interdisciplinary, and engaging environment. The School is committed to conducting academic, research and community partnership programs that are recognised for their excellence in contributing to health and well-being in the community. The School is responsible for the Bachelor of Social Work, Bachelor of Human Services, Bachelor of Nursing, Bachelor of Midwifery, Bachelor of Nursing/Bachelor of Midwifery dual degree, Master of Nursing Studies, Master of Social Work Studies and the Master of Counselling.

Whilst the school is located on the university’s main campus at St Lucia a feature of our undergraduate and graduate-entry programs is delivery of components of the program by our academic staff at teaching hospitals within Queensland Health and the private health sector.

Further details regarding the School, academic and research programs and staff can be found on the School’s website at http://nmsw.uq.edu.au

**The School of Dentistry**

The UQ School of Dentistry has a long and proud tradition of 81 years of strength in dental education and research, and attracts high achieving students nationally and internationally. UQ is a leading source of expertise in the local, national and international dental community and has been a key contributor to achieving effective solutions to contemporary issues and challenges. The School has strong collaborations within and outside the dental profession.
As part of the Faculty of Health and Behavioural Sciences, the School of Dentistry offers the Bachelor of Dental Science (Honours) program and specialist post-graduate programs (Doctor of Clinical Dentistry). The School of Dentistry also has a growing cohort of research higher degree students.

Research within the School is focused on a number of themes, and crosses a range of areas from laboratory based research through to technologies applied in clinical practice and dental public health.

Further details about the School’s teaching programs, research interests and other activities may be accessed on the School’s web site at http://www.dentistry.uq.edu.au/

Information for Prospective Staff
