THE UNIVERSITY OF QUEENSLAND

The University of Queensland (UQ) contributes positively to society by engaging in the creation, preservation, transfer and application of knowledge. UQ helps shape the future by bringing together and developing leaders in their fields to inspire the next generation and to advance ideas that benefit the world. UQ strives for the personal and professional success of its students, staff and alumni. For more than a century, we have educated and worked with outstanding people to deliver **knowledge leadership for a better world**.

UQ ranks in the world’s top universities, as measured by several key independent ranking, including the Performance Ranking of Scientific Papers for World Universities (43), the US News Best Global Universities Rankings (52), QS World University Rankings (47), Academic Ranking of World Universities (55), and the Times Higher Education World University Rankings (65). UQ again topped the nation in the prestigious Nature Index and our Life Sciences subject field ranking in the Academic Ranking of World Universities was the highest in Australia at 20.

UQ has an outstanding reputation for the quality of its teachers, its educational programs and employment outcomes for its students. Our students remain at the heart of what we do. The UQ experience – the UQ Advantage – is distinguished by a research enriched curriculum, international collaborations, industry engagement and opportunities that nurture and develop future leaders. UQ has a strong focus on teaching excellence, winning more national teaching excellence awards than any other in the country and attracting the majority of Queensland’s highest academic achievers, as well as top interstate and overseas students.

UQ is one of Australia’s Group of Eight, a charter member of edX and a founding member of Universitas 21, an international consortium of leading research-intensive universities.

Our 50,000-plus strong student community includes more than 13,000 postgraduate scholars and more than 12,000 international students from 144 countries, adding to its proud 240,000-plus alumni. The University has about 7,000 academic and professional staff and a $1.8 billion annual operating budget. Its major campuses are at St Lucia, Gatton and Herston, in addition to teaching and research sites around Queensland and Brisbane city. The University has six Faculties and four University-level Institutes. The Institutes, funded by government and industry grants, philanthropy and commercialisation activities, have built scale and focus in research areas in neuroscience, biomolecular and biomedical sciences, sustainable minerals, bioengineering and nanotechnology, as well as social science research.
UQ has an outstanding track-record in commercialisation of our innovation with major technologies employed across the globe and integral to gross product sales of $11billion+ (see http://uniquest.com.au/our-track-record).

UQ has a rapidly growing record of attracting philanthropic support for its activities and this will be a strategic focus going forward.

Organisational Environment
The University has 3 campuses located at St. Lucia, Gatton and Herston. The University also operates medical and dental schools in Brisbane and a number of research stations and farms throughout Queensland.

The Property & Facilities Division (P&F) is responsible for delivering comprehensive facilities management that support the University’s teaching and research goals and its strategic objectives of Learning, Discovery and Engagement. To achieve this, and to further improve the environment in which members of the University community study, work and live, P&F provide a range of services. These include: UQ Sustainability, Energy and Transport systems, Construction and Engineering Services, Site Planning, Space and Property services, Asset Services (i.e. building maintenance, grounds and playing field maintenance, fire safety, security and parking), Campus Services (i.e. cleaning, furniture, logistics, UQ fleet, mail dispatch) and Business & Systems (business, administrative, HR, finance, and IT support).

UQ’s environmental and sustainability initiatives have gained significant recognition. P&F manages the University’s Environmental Management System, provides advice, and promotes best sustainability practices at UQ. The Sustainability website (www.uq.edu.au/sustainability) provides a single point for the University to communicate its initiatives and successes in embedding sustainability throughout its operations, learning, discovery and engagement. By browsing the site, the community has access to information on their sustainability study options, UQ’s research in the area of sustainability, partnerships with community industry and government, and the University’s carbon management strategy. You are encouraged you to visit the Sustainability website.

Further information about the Property and Facilities Division may be accessed on the Division’s web site at www.pf.uq.edu.au.

The Security Section’s responsibilities are to provide and maintain a protected and secure environment for all persons on University sites; to protect University assets from theft, damage or destruction; to respond to emergencies; and to ensure that all University Statutes and Senate directives are adhered to. These responsibilities must be undertaken within the legal parameters of the law and standards set must be consistent with general community standards.

Further information about the Security Section may be accessed on the Section’ web site at www.pf.uq.edu.au/security.
