POSITION DESCRIPTION

Position Title: Senior International Placements & Partnerships Officer
Organisation Unit: Faculty of Medicine
Position Number: NEW
Type of Employment: Full-time, fixed-term for two years
Classification: HEW Level 7

THE UNIVERSITY OF QUEENSLAND

The University of Queensland (UQ) contributes positively to society by engaging in the creation, preservation, transfer and application of knowledge. UQ helps shape the future by bringing together and developing leaders in their fields to inspire the next generation and to advance ideas that benefit the world. UQ strives for the personal and professional success of its students, staff and alumni. For more than a century, we have educated and worked with outstanding people to deliver knowledge leadership for a better world.

UQ ranks in the world’s top universities, as measured by several key independent ranking, including the CWTS Leiden Ranking (32), the Performance Ranking of Scientific Papers for World Universities (43), the US News Best Global Universities Rankings (42), QS World University Rankings (48), Academic Ranking of World Universities (55), and the Times Higher Education World University Rankings (69). Excluding the award component, UQ is now ranked 45th in the world in the ARWU, and is one of the only two Australian universities to be included in the global top 50.

UQ has an outstanding reputation for the quality of its teachers, its educational programs and employment outcomes for its students. Our students remain at the heart of what we do. The UQ experience – the UQ Advantage – is distinguished by a research enriched curriculum, international collaborations, industry engagement and opportunities that nurture and develop future leaders. UQ has a strong focus on teaching excellence, winning more national teaching excellence awards than any other in the country and attracting the majority of Queensland's highest academic achievers, as well as top interstate and overseas students.

UQ is one of Australia’s Group of Eight, a charter member ofedX and a founding member of Universitas 21, an international consortium of leading research-intensive universities.

Our 52,000-plus strong student community includes more than 16,400 postgraduate scholars and more than 15,400 international students from 135 countries, adding to its proud 250,000-plus alumni. The University has more than 6,600 academic and professional staff (full-time equivalent) and a $1.75 billion annual operating budget. Its major campuses are at St Lucia, Gatton and Herston, in addition to teaching and research sites around Queensland and Brisbane city. The University has six Faculties and four University-level Institutes. The Institutes, funded by government and industry grants, philanthropy and commercialisation activities, have built scale and focus in research areas in neuroscience, biomolecular and biomedical sciences, sustainable minerals, bioengineering and nanotechnology, as well as social science research.
UQ has an outstanding track-record in commercialisation of our innovation with major technologies employed across the globe and integral to gross product sales of $11 billion+ (see http://uniquest.com.au/our-track-record).

UQ has a rapidly growing record of attracting philanthropic support for its activities and this will be a strategic focus going forward.

Faculty of Medicine

The University of Queensland’s Faculty of Medicine is an internationally recognised provider of world-class education and research. The research-intensive Faculty has a gross budget of almost $300 million, employs approximately 1000 continuing and fixed-term staff (headcount), has a community of more than 4000 non-salaried academic appointees and around 3200 students (headcount).

The Faculty of Medicine offers Australia’s largest medical degree program for graduates and school-leavers. Undergraduate and postgraduate programs are available in the disciplines of Medicine, Health Sciences, E-Health, Mental Health, Biomedical Sciences and Public Health.

The Faculty possesses enormous strengths spanning research, teaching, industry engagement and clinical practice in disciplines ranging from the basic sciences, biomedical research and development, to clinical trials and public health. Research projects within the Faculty have already led to discoveries with far-reaching social and economic impacts, including the revolutionary Gardasil (TM) vaccine for cervical cancer (Professor Ian Frazer) and a drug discovery EMA401 (Professor Maree Smith), a first-in-class oral treatment for chronic pain which through Spinafex Pharmaceuticals led to Australia’s largest biotechnology commercialisation deal. Faculty staff include three highly cited authors, one Fellow of the Royal Society (FRS), three Fellows of the Australian Academy of Science (FAA) and 12 Fellows of the Academy of Health and Medical Sciences (AAHMS). The Faculty is a core member of Brisbane Diamantina Health Partners, the Brisbane-wide academic health science system.

Educational offerings in biomedical sciences, medicine and public health are informed and supported by research activity across a range of fundamental and clinical areas of importance including recognised strengths in cancer, skin diseases, brain and mental health, maternal and child health and genomics. Cutting-edge facilities such as the Herston Imaging Research Facility (HIRF), the UQ Centre for Clinical Research (UQCCR), our laboratories in the Translational Research Institute (TRI) and the new Centre for Children’s Health Research (CCHR) enable outstanding research outcomes and sharpen our understanding of cancer, autoimmunity, mental disorders, infectious diseases and neurological disease. Further details are available at www.medicine.uq.edu.au.

Information for Prospective Staff

Information about life at UQ including staff benefits, relocation and UQ campuses is available at - http://www.uq.edu.au/current-staff/working-at-uq

DUTY STATEMENT

Primary Purpose of Position

The purpose of this position is to lead the development of new partnerships and to strengthen current international placement opportunities for all student cohorts in the Faculty of Medicine. The key focus will be on large, well-established and aligned international organisations that have the capacity to provide multiple placements in a range of disciplines
on a regular basis to our students. Institutional partners that provide academic opportunities for electives, research, and other study opportunities will also be a focus.

Under broad direction of the Faculty of Medicine Senior Manager, International, the Project Officer International Placements & Partnerships will work closely with the Placements team, Clinical Unit team leaders, and UQ’s Global Engagement & Entrepreneurship team.

Duties

Duties and responsibilities include, but are not limited to:

- Develop and manage relationships with international mobility partners on behalf of the Faculty, including overseas institutions and organisations;
- Develop and market opportunities for international student elective and placement experiences;
- Develop and deliver information sessions for students and staff regarding global mobility experiences managed through the Faculty of Medicine, and represent the Faculty at external events as required;
- Lead the preparation of proposals for new Faculty partnerships in collaboration with the Global Engagement partner framework and with the relevant stakeholders, prepare proposals for new partnerships to be reviewed and approved by the Faculty Executive Dean (or delegate);
- Contribute to Global Engagement’s annual review of Faculty of Medicine agreements, and provide recommendations to the Faculty Executive Dean or delegate for renewal/non-renewal of existing partnerships;
- Collaborate with the Faculty placement team, Faculty Workplace Health and Safety, Clinical Units and Schools on determining elective and placement opportunities;
- Develop induction, orientation and other supporting processes for incoming and outgoing students; and
- Work collaboratively with the Faculty Marketing and Communications team to ensure that marketing collateral is effective, impactful, and available as appropriate, and that the web presence is continually refreshed and up-to-date.

Other

Ensure you are aware of and comply with legislation and University policy relevant to the duties undertaken, including but not exclusive to:

- the University’s Code of Conduct
- requirements of the Queensland occupational health and safety (OH&S) legislation and related OH&S responsibilities and procedures developed by the University or Institute/School
- the adoption of sustainable practices in all work activities and compliance with associated legislation and related University sustainability responsibilities and procedures
- requirements of the Education Services for Overseas Students Act 2000, the National Code 2007 and associated legislation, and related responsibilities and procedures developed by the University

Organisational Relationships

The position reports to the Senior Manager, International
Location and Travel

This position is primarily based at the Herston campus. Some travel to other campuses and domestic and international locations may be required.

SELECTION CRITERIA

- A degree with at least four years subsequent relevant experience; or an equivalent combination of relevant experience and/or education/training;
- High level interpersonal, verbal and written communications skills, including the ability to effectively establish and maintain relationships with internal, external and international stakeholders;
- Proven ability to work independently and collaboratively, manage time effectively and meet deadlines while maintaining attention to detail and accuracy;
- High level administration skills, including utilising a range of business software packages and the application of policies and procedures in a large, complex organisation;
- Previous student mobility experience; and
- Awareness of student mobility funding programs

The University of Queensland values diversity and inclusion and actively encourages applications from those who bring diversity to the University. Please refer to the University’s Diversity and Inclusion webpage (http://www.uq.edu.au/equity) for further information and points of contact if you require additional support.

This role is a full-time position; however flexible working arrangements may be negotiated.

Accessibility requirements and/or adjustments can be directed to recruitment@uq.edu.au
