POSITION DESCRIPTION

Position Title: Barn Assistant
Organisation Unit: School of Veterinary Science
Type of Employment: Full Time Continuing
Classification: HEW 1
Location: Gatton

THE UNIVERSITY OF QUEENSLAND

The University of Queensland (UQ) contributes positively to society by engaging in the creation, preservation, transfer and application of knowledge. UQ helps shape the future by bringing together and developing leaders in their fields to inspire the next generation and to advance ideas that benefit the world. UQ strives for the personal and professional success of its students, staff and alumni. For more than a century, we have educated and worked with outstanding people to deliver knowledge leadership for a better world.

UQ ranks in the world’s top universities, as measured by several key independent ranking, including the Performance Ranking of Scientific Papers for World Universities (43), the US News Best Global Universities Rankings (45), QS World University Rankings (48), Academic Ranking of World Universities (55), and the Times Higher Education World University Rankings (69). UQ again topped the nation in the prestigious Nature Index, and our Academic Ranking of World Universities result in the field of Life and Agricultural Sciences is the highest in Australia at 20.

UQ has an outstanding reputation for the quality of its teachers, its educational programs and employment outcomes for its students. Our students remain at the heart of what we do. The UQ experience – the UQ Advantage – is distinguished by a research enriched curriculum, international collaborations, industry engagement and opportunities that nurture and develop future leaders. UQ has a strong focus on teaching excellence, winning more national teaching excellence awards than any other in the country and attracting the majority of Queensland’s highest academic achievers, as well as top interstate and overseas students.

UQ is one of Australia’s Group of Eight, a charter member of edX and a founding member of Universitas 21, an international consortium of leading research-intensive universities.

Our 50,000-plus strong student community includes more than 13,000 postgraduate scholars and more than 12,000 international students from 144 countries, adding to its proud 240,000-plus alumni. The University has about 7,000 academic and professional staff and a $1.8 billion annual operating budget. Its major campuses are at St Lucia, Gatton and Herston, in addition to teaching and research sites around Queensland and Brisbane city. The University has six Faculties and four University-level Institutes. The Institutes, funded by government and industry grants, philanthropy and commercialisation activities, have built scale and focus in research areas in neuroscience, biomolecular and biomedical sciences, sustainable minerals, bioengineering and nanotechnology, as well as social science research.
UQ has an outstanding track-record in commercialisation of our innovation with major
technologies employed across the globe and integral to gross product sales of $11billion+

UQ has a rapidly growing record of attracting philanthropic support for its activities and this
will be a strategic focus going forward.

Organisational Environment

The School of Veterinary Science has a rich history, having been founded in 1936, and with
a reputation for graduating highly capable veterinarians. The Veterinary Science program at
UQ has full accreditation with the Australasian Veterinary Boards Council, the Royal College
of Veterinary Surgeons and the American Veterinary Medical Association. The School also
contributes to programs in veterinary technology and animal & veterinary bioscience. The
respected QS World Rankings recently ranked UQ as 22nd in the world in the field of
Veterinary Science.

The School of Veterinary Science has high quality facilities at the UQ Gatton Campus,
providing the teaching, research and clinical infrastructure and resources to further develop
its strong reputation as a leading provider of veterinary training, research and clinical care.

The Veterinary Teaching Hospital is an organisational unit within the School that includes all
of the School’s outstanding clinical facilities. UQ VETS Equine Hospital is largely referral
based hospital with advanced facilities and offers a 24 hour emergency medical and surgical
service. UQ VETS Small Animal Hospital boasts the latest in veterinary medical and surgical
diagnostic and treatment options for small animals, birds, exotic pets and wildlife, as well as
a 24 hour Emergency and Critical Care service. UQ VETS Dayboro is a mixed practice 45
minutes north of Brisbane servicing both commercial and hobby farmers offering a balanced
mix of small and large animals. The UQ VETS Clinical Studies Centre facilitates and
provides support to pre-clinical and clinical training in companion animals as well as a
renowned research hub for clinical and behavioural research. The Centre includes a 16 –
table surgical teaching facility, and is also used for veterinary continuing education events.
The Clinical Studies Centre is also home to the School's Pets-for-Life Adoption Program. UQ
staff also supervise clinical placements at the RSPCA’s Brisbane Animal Care Campus, Wacol.

The UQ Veterinary Laboratory Services provides an efficient pathology service to the
hospitals and other clients through our core disciplines of clinical pathology, anatomical
pathology, microbiology and parasitology. It also provides laboratory support for veterinary
teaching and research.

The school opened the Student Clinical Skills Hub in May 2016. This facility houses a range
of low and high fidelity models to reduce use of live animals and cadavers in teaching, and to
enhance veterinary clinical skills training. With 24/7 swipe-card access, individual students
can practice their clinical skills until they are confident and competent. The facility also has a
simulated client communications laboratory with both static, online, and interactive
simulations, and access to a range of training models to facilitate development of fine motor
skills (e.g. suturing), procedural techniques, and cognitive/diagnostic competences.

Information about the Faculty and the School may be accessed on the Faculty’s web site at
Diversity and Inclusion

The School recognizes and values equity and diversity, and encourages applications from any individual who meets the requirements of this position irrespective of gender, sexuality, race, ethnicity, religion, disability, age or other protected attributes. The School strives to provide an inclusive working environment, and along with the University is committed to supporting staff with family and caring responsibilities by providing policies, programs and initiatives to help balance work and family responsibilities.

Information for Prospective Staff

Information about life at UQ including staff benefits, relocation and UQ campuses is available at - [http://www.uq.edu.au/current-staff/working-at-uq](http://www.uq.edu.au/current-staff/working-at-uq)

DUTY STATEMENT

Primary Purpose of Position

This position is responsible for the care of all UQ VETS Equine Specialist Hospital in-patients (feed, water and bedding), the handling and restraint of horses for clinical procedures, and the care and maintenance of the stable facilities (stable cleaning, general cleaning) at the Equine Specialist Hospital.

Duties

Duties and responsibilities include, but are not limited to:

Care and maintenance of facilities

- Clean and bed stalls in line with Biosecurity and Equine Specialist Hospital standards.
- Ensure facility including stalls and work areas are kept safe, clean and hygienic
- Ensure suitable and adequate stable supplies and feed available as needed.
- Basic maintenance of the facility and grounds.

Horse handling and care

- Restrain horses for veterinary procedures including diagnostic imaging and standing surgery.
- Hand walk, trot and lunge horses for veterinary examination.
- Assist with the induction and recovery of horses from anaesthesia.
- Feed horses and report to Clinician in charge of any concerns regarding In-patients.
- Provide assistance to students performing examinations and treatments on hospitalised horses.
Other

Ensure you are aware of and comply with legislation and University policy relevant to the duties undertaken, including but not exclusive to:

- the University's Code of Conduct
- requirements of the Queensland occupational health and safety (OH&S) legislation and related [OH&S responsibilities and procedures](#) developed by the University or Institute/School
- the adoption of sustainable practices in all work activities and compliance with associated legislation and related University [sustainability responsibilities and procedures](#)
- requirements of the Education Services for Overseas Students Act 2000, the National Code 2007 and associated legislation, and related [responsibilities and procedures](#) developed by the University

Organisational Relationships

The position reports to the Deputy Nurse Manager

SELECTION CRITERIA

- Completion of Year 10
- Minimum of 2 years experience in the horse industry, including active horse husbandry and handling
- Queensland open driver’s license (class C)
- Physically capable of carrying out duties (the trotting of horses, bedding and cleaning of stables, manual assistance with moving and manipulating anaesthetised horses and the restraint of horses)
- Capacity to work in a team environment
- Capacity to relate well and communicate with a wide range of people including staff, students, clients and outside suppliers
- Understand the value of excellent client service
- Care and compassion for hospital patients
- A current forklift license and previous experience in an equine veterinary hospital/clinic is desirable.

Qualification Verification

An appointment to this position is subject to the verification of the highest academic qualification from the conferring institution.

The University of Queensland values diversity and inclusion and actively encourages applications from those who bring diversity to the University. Please refer to the University’s Diversity and Inclusion webpage (http://www.uq.edu.au/equity) for further information and points of contact if you require additional support.

This role is a full-time position; however flexible working arrangements may be negotiated.
Accessibility requirements and/or adjustments can be directed to the contact person listed in the advertisement.
