| <b>Responsible to</b> | <b>Jade Jitjourjun</b>  | <b>Work Level</b>      | <b>In-Unit Level</b> |

### Overall purpose of the role

Employed to prepare, cook and serve good quality food for customers, residents or clients, in conjunction with the contractual requirements of the unit. Must ensure that all tasks associated with food production are performed with due regard for Food Safety regulations and adherence to Our Safety Culture behaviours.

### Role duties and requirements

#### Apply basic communication skills:

- Follow routine instructions
- May be required to draft simple correspondence
- Receive and relay information

#### Apply catering control principles:

- Carry out catering control procedures (portion control, stock control, food storage)
- Identify procedures for reducing wastage during ordering, storage and processing of food
- Minimise waste by recycling

#### Clean and maintain kitchen premises:

- Ensure equipment is cleaned, sanitised and stored appropriately
- Ensure floors are swept and mopped
- Ensure Kitchen areas have adequate supplies to maintain standards during service
- Ensure kitchen floors are swept, mopped or vacuumed after service
- Handle waste and linen

#### Develop and update industry knowledge:

- Seek internal training opportunities appropriate for position as agreed with manager
- Update skills, knowledge and qualifications and licenses to maintain a high level of competence

#### Maintain consumer satisfaction:

- Ensure that personal hygiene and presentation standards are maintained
- Gather consumer feedback and pass the information on to management
- Strive to exceed consumer expectations

#### Prepare, cook and present food:

- Assemble and prepare ingredients
- Complete end of service requirements
- Cook and serve menu items for food service
- Establish and maintain quality control
- Portion and plate food
- Prepare dairy, dry goods, fruit and vegetables
- Prepare meat, seafood and poultry

#### Receive and store kitchen supplies:

- Receive delivery of supplies
- Ensure supplies are stored correctly
- Rotate and maintain supplies
- Notify Manager when more supplies are needed

#### Work with colleagues and customers:

- Communicate effectively in the workplace
- Maintain personal presentation standards
- Work effectively in a team

#### Develop menus to meet special dietary and cultural needs:

- Develop menus and meal plans to meet dietary and cultural requirements
- Evaluate meals and menus
- Identify the dietary and cultural requirements of customers

#### Plan, prepare and display a buffet

#### Take responsibility for ordering and stock control

#### Coach others in their job skills:

- Coach colleagues on the job
- Follow up on progress
- Prepare for on-the-job coaching

#### May be required to work night shift (overnight)

#### Follow company policies and procedures

#### Perform other duties within his / her capabilities as required by Supervisor or Manager

## Health and safety responsibilities

### Follow Compass health and safety and security procedures:

- Adhere to health, safety and security procedures
- Assist management in promoting and maintaining HSEQ activities
- Ensure Personal Protective Equipment is worn where required
- Identify and report all hazards
- Maintain safe personal presentation standards
- Provide feedback on health safety and security
- Report all incidents *immediately*

### Follow safe manual handling practices

### Follow safe food handling procedures:

- Adhere to hygiene procedures
- Adhere to the site food safety plan
- Compliance with the temperature monitoring and corrective action progress
- Compliance with the cleaning schedules

### Comply with infection control policies and procedures in a Healthcare environment:

- Clean and disinfect equipment and surfaces
- Identify and respond to infection risks
- Maintain hygiene

### Adhere to Our Safety Culture by:

- Being mindful
- Following rules
- Getting involved
- Speaking out

This will be achieved by personally demonstrating the **everyone** behaviours detailed in the Compass Group Our Safety Culture Framework document.

### HSEQ Policy / Procedure Documents:

- Compass Health, Safety and Environment Policy
- Employee Health, Safety and environment Handbook
- Job Safety and Environmental Analysis (JSEA)
- Manual Handling procedures

- Prior Food Hygiene training and / or accreditation
- Prior OH&S training and / or accreditation
- Training in correct lifting techniques

## Learning and development requirements

- Behavioural observations
- Compass corporate orientation
- Food Safety training program (I'm Alert)
- Incident reporting
- Job Safety and Environmental Analysis (JSEA)
- Managing hazards
- Relevant Toolbox topics
- Food Safety for Supervisors
- Allergen Management

## Award\* classification

\*If an Enterprise Agreement applies, please consult your local HR Adviser for correct classification.

### Hospitality Industry General Award (HIG) 2010:

**Base Classification**

Level 4 Cook (Tradesperson) Grade 3

**Higher Classifications**

Employees required to perform one or more of the following duties are classified as:

Level 5 Cook (Tradesperson) Grade 4 (tick if applicable):

- Supervision of cooks and other kitchen employees
- Training/coaching of cooks and other kitchen employees

Level 6 Cook (Tradesperson) Grade 5:

- Full responsibility for ordering and stock control
- Full responsibility for leading and managing a team of staff in a single kitchen

**Note for most Level 6 Chefs, a Sous Chef or Head Chef position description would apply instead**

This role profile is a guide to the work you will initially be required to undertake. It may be changed from time to time to incorporate changing circumstances, and you may be required to be flexible and perform other duties as required by your manager. It does not form part of your contract of employment.
