The Role

An exciting ongoing opportunity exists for two experienced Psychology Placement Supervisors, one with an area of practice endorsement in Clinical Psychology and one with endorsement in Clinical Neuropsychology to provide supervision, to students whilst on placement in the Macquarie University Psychology Clinic.

About You

You will be a passionate and professional individual with a desire to grow the next generation of Psychologists. You will be an accredited supervisor with the Psychology Board of Australia and have experience in supervision within a training clinic. You will have excellent communication skills and be able to be flexible to the needs of the individual student. You will be comfortable managing risk issues with clients and working as part of the Clinic Team.

If you are proactive in nature, resilient in your approach, and looking for an opportunity to work in a unique environment this is a role you will thrive in.

About Us

The [Department of Psychology](https://www.macquarie.edu.au/psychology) at Macquarie University offers accredited undergraduate and postgraduate programs in Psychology to satisfy the requirements for registration as a psychologist.
