

Crew Leader - CCTV

Position Description

Directorate	Project and Asset Services	Department	Asset Maintenance
Reports To	Supervisor Regional Drains	Direct Reports	Yes
Queensland Local Government Industry Award - State 2017 - Stream	Stream B - Division 2, Operational Services.	Moreton Bay Regional Council Certified Agreement 2022 EBA5 Wage Level	Schedule 2, Wage Level 6

Position Purpose

This will lead a team engaged in operational surveys duties of Council's underground assets by means of Closed-Circuit Television (CCTV) inspections in order to meet the needs of Council's broader network of residents and ratepayers.

Key Responsibilities and Outcomes

As a Crew Leader - CCTV and member of the Asset Maintenance Department you will:

- Undertake direction from line supervisor in the allocation and delivery of assigned maintenance by leading a team of operational staff to deliver quality maintenance outcomes.
- Undertake general labouring on construction and maintenance projects as required, or directed by the supervisor, in an effective and timely manner.
- Develop and review plans and maintenance schedules and maintain associated records in a timely manner.
- Engage appropriately with a range of diverse internal and external stakeholders to ensure quality service delivery outcomes are achieved.
- Perform CCTV inspections of Council's underground assets and operate the drainage cleaning unit.
- Identify underground infrastructure defects and their causes and be able to correctly identify materials and methods for repair of defects.

Our Values

Our values shape the way we behave, how we interact with each other and our customers. They underpin our decision making and are our guiding principles for how we work every day. As a leader you will take accountability for demonstrating the values expectations and behaviours and enable your team members to do the same.
