Tradesperson Arborist

Division	Projects and Asset Services	Department	Asset Maintenance
Reports To	Supervisor Operations	Direct Reports	No

Position Purpose

To undertake arboriculture services within council's public open space network, utilising a high level of technical skills and experience, to deliver effective, consistent and cost efficient services to support the needs of the broader residents and ratepayers of Council.

Key Responsibilities and Outcomes

Operational

- Undertake the onsite delivery of arboriculture services, activities and project delivery.
- Undertake assessment of trees to support optimal tree management outcomes.
- To act as a key contact in all matters that relate to arboricultural services whilst supporting the wider outputs of the work team.
- Maintain good working relations and deal cooperatively with team members and members of the public.
- Correctly use and maintain plant and equipment provided, including all personal protective equipment, in accordance with manufacturer's instructions, council's safety policy and procedures.

Values

At Moreton Bay Regional Council we are on a journey to creating a great culture. Our values shape the way we behave and how we interact with each other to deliver the best service to the community. The safety of you and the community is our number one priority and we are all responsible for creating an inclusive, safe workplace and protecting our environment. As a team member, you will take individual accountability for demonstrating the values, expectations and behaviours.

Decision Making
