Planner - Development Services

Division	Planning	Department	Development Services
Reports To	Coordinator	Direct Reports	No

Position Purpose

This position will provide routine technical advice and undertake the assessment of low complexity development matters relating to land use impacts of development to meet the needs of the community within the Moreton Bay Regional Council area.

Key Responsibilities and Outcomes

Operational

As a Planner within the Development Services team you will:

- Provide routine technical advice on low complexity land use and development matters.
- Undertake the assessment of low complexity development applications in line with legislative, policy and business requirements.
- Undertake research and analysis and prepare development application recommendations for review and decision by senior officer as required.
- Undertake the levying and recovery of the cost of infrastructure, including assisting with the negotiation of infrastructure agreements.
- Undertake site inspections and investigations to support the assessment of development applications including resolution of land use issues.
- Contribute to a positive team environment in order to achieve a high performance, continuous improvement and customer focused culture.
- Engage proactively with key stakeholders to ensure quality service outcomes are achieved.

Values

At Moreton Bay Regional Council we are on a journey to creating a great culture. Our values shape the way we behave and how we interact with each other to deliver the best service to the community. The safety of you and the community is our number one priority and we are all responsible for creating an inclusive, safe workplace and protecting our environment. As a team member you will take individual accountability for demonstrating the values expectations and behaviours.

Decision Making

Budget - Nil

Delegations - Delegations under the Local Government Act 2009 and as directed and published in Council's Delegation Register.
