

A THRIVING REGION OF OPPORTUNITY WHERE OUR COMMUNITIES ENJOY A VIBRANT LIFESTYLE

Senior Stormwater Planner

Division	Infrastructure Planning	Department	Drainage, Waterways and Coastal Planning
Reports To	Team Leader Water Quality Infrastructure	Direct Reports	No

Position Purpose

To provide specialist planning expertise and undertake moderate to complex planning investigations for a range of stormwater and/or coastal projects to meet the needs of the community within the Moreton Bay Regional Council area.

Key Responsibilities and Outcomes

Operational

As the Senior Stormwater Planner within the Drainage, Waterways and Coastal Planning team you will:

- Act as a technical expert and provide leadership and guidance to team members in the delivery of stormwater infrastructure planning and policy matters to drive integrated and sustainable planning outcomes.
- Provide expert advice in infrastructure planning and policy matters in accordance with legislative, policy and business requirements.
- Investigate complex stormwater planning problems and prepare and present technical reports and recommendations to ensure project outcomes are met.
- Coordinate, undertake and assist in the preparation of planning studies to support infrastructure projects delivered by Council (including management of specialist consultants).
- Support project-based community consultation including representing Council at a range of customer meetings, community and business forums.
- Support the development of team capability to drive a high performance, continuous improvement and a customer focussed culture.
- Build strong relationships and engage with internal and external stakeholders to ensure stormwater and waterway infrastructure and service delivery outcomes are achieved.

Values

At Moreton Bay Regional Council we are on a journey to creating a great culture. Our values shape the way we behave and how we interact with each other to deliver the best service to the community. The safety of you and the community is our number one priority and we are all responsible for creating an inclusive, safe workplace and protecting our environment. As a team member you will take individual accountability for demonstrating the values, expectations and behaviours.

Decision Making

Budget - no direct budget allocation, but responsible for the delivery of a range of projects in the Capital Works program

Delegations - Delegations under the Local Government Act 2009 and as directed and published in Council's Delegation Register
