

Plumbing Inspector

Division	Planning	Department	Development Services
Reports To	Plumbing Inspection Lead	Direct Reports	No

Position Purpose

This position will provide plumbing assessment and compliance services to the construction industry and property owners to meet the needs of the community within the Moreton Bay Regional Council area.

Key Responsibilities and Outcomes

Operational

As a Plumbing Inspector within the Development Services team you will:

- Undertake the assessment and approval of commercial and domestic plumbing and drainage applications, inspections and compliance matters in accordance with legislative and public health and safety requirements to minimise risk.
- Assess, inspect and monitor on-site sewage facilities to ensure they are installed, operated and maintained in accordance with current legislative requirements.
- Provide technical advice to customers regarding the operation and maintenance of on-site sewerage treatment facilities.
- Conduct investigations of compliance matters or concerns and take enforcement action where required.
- Provide technical advice and resolve customer and procedural issues to ensure quality service outcomes are achieved.
- Ensure accurate records are kept pertaining to assessment, applications and inspections.
- Contribute to a positive team environment in order to achieve a high performance, continuous improvement and customer focused culture.
- Engage proactively with key stakeholders to ensure quality service outcomes are achieved.

Values

At Moreton Bay Regional Council we are on a journey to creating a great culture. Our values shape the way we behave and how we interact with each other to deliver the best service to the community. The safety of you and the community is our number one priority and we are all responsible for creating an inclusive, safe workplace and protecting our environment. As a team member you will take individual accountability for demonstrating the values expectations and behaviours.
