Position Purpose

This position provides leadership, technical oversight and quality control on the ongoing testing of planning scheme structure/architecture and drafting of planning scheme content for the New Planning Scheme (Review) Program to meet the needs of the community within the City of Moreton Bay area.

Key Responsibilities and Outcomes

As the New Planning Scheme Content Lead, and member of Strategic Planning and Place Making you will:

- Lead a team of technical specialists undertaking the drafting of planning scheme content to inform the New Planning Scheme (Review) Program - this will include overseeing peer review and legal review processes and ensuring overall quality control in the testing of new planning scheme architecture and the drafting of content.
- Report to, and provide regular updates and advice to the Coordinator, New Planning Scheme with regard to statutory content production.
- Support the Coordinator, New Planning Scheme in fostering team engagement.
- Support/inform New Planning Scheme (Review) Program governance groups where relevant.
- Liaise closely with the New Planning Scheme Policy Lead to provide quality control and feedback in the drafting of planning scheme content that is in line with policy directions.
- Provide positive leadership, direction/feedback and quality control to team members (and consultants) to support the delivery of an efficient planning scheme structure/architecture and high quality, clear and consistent drafted content.
- Provide expert advice in strategic land use planning in accordance with legislative, policy and business requirements.
- Oversee the delivery of highly complex strategic planning projects and specialist project teams (including external consultants) to achieve strategic and business outcomes.
- Support the development of team capability to drive a high performance, continuous improvement and customer focused culture.

- Provide specialist technical input into the development and implementation of key policy relating to the planning scheme, infrastructure planning, significant major projects and key placemaking activities.
- Facilitate project-based community consultation including representing Council at a range of customer meetings, community and business forums.
- Build high level relationships across a range of diverse internal and external stakeholders to ensure projects and service deliverables are achieved.
- Act as a department delegate on a variety of projects, providing a source of professional advice to key stakeholders.

Our Values

Our values shape the way we behave, how we interact with each other and our customers. They underpin our decision making and are our guiding principles for how we work every day. As a team member you will take individual accountability for demonstrating the values expectations and behaviours.
