ENJOY A VIBRANT LIFESTYLE**

## Waste Management Facility Operator

<b>Division</b>	Projects and Asset Services	<b>Department</b>	Waste Services
<b>Reports To</b>	Waste Management Team Leader	<b>Direct Reports</b>	No

### Position Purpose

This position operates a suite of machinery, supporting the needs of the broader Moreton Bay Region's customers, ratepayers and stakeholders.

### Key Responsibilities and Outcomes

#### Operational

- Undertake the full day to day operation of a range of heavy/medium/light plant in order to deliver quality waste management services and drive optimal waste facility service standards.
- Undertake the identification of issues that may impact on the environment and safety of the work site and escalate accordingly in order to manage possible risks.
- Undertake a suite of day to day operations at the waste management facilities in accordance with the Environmental Approval Conditions, Site Based Management Plans, Landfill Operator Guides and Manuals, and the Workplace Health and Safety Act and Regulations.
- Support the wider outputs of the Waste Services department and work as an integral part in supporting team outputs in the day to day operations across a range of elements relevant to landfill operations and to other waste facility operations.
- Correctly use and maintain plant and equipment provided, including all personal protective equipment, in accordance with manufacturer's instructions, Council's safety policy and procedures.
- Undertake the end to end suite of administration processes, practice and procedures as required within the deliverables of this position.

#### Values

At Moreton Bay Regional Council we are on a journey to creating a great culture. Our values shape the way we behave and how we interact with each other to deliver the best service to the community. The safety of you and the community is our number one priority and we are all responsible for creating an inclusive, safe workplace and protecting our environment. As a team member, you will take individual accountability for demonstrating the values, expectations and behaviours.

### Decision Making

**Budget** - \$NIL

**Delegations** - Delegations under the *Local Government Act 2009* and as directed and published in Council's Delegation Register.

### Knowledge & Experience

## A THRIVING REGION OF OPPORTUNITY WHERE OUR COMMUNITIES ENJOY A VIBRANT LIFESTYLE

- Strong plant operator competence in loader, compactor or other plant operation applicable to landfill operations and other waste facility operations including mechanical aptitude.
- Ability to work constructively and efficiently as part of a broader team of waste management facility operators across the broader Waste Services department.
- Ability to communicate, both in written and verbal form, whilst engaging constructively with a range of internal colleagues and external residents, customers, contractors and ratepayers.
- Sound level of experience in undertaking a range of operational tasks in a regulated work environment where health and safety is of high priority, under minimal supervision.

### Qualifications

- Current HR class driver's licence.
- Construction Induction Card competency that has been used or obtained within the past 2 years.
- Current competency to operate the following machines:
  - RIIMPO321F – Conduct civil construction wheeled front end loader operations
