

## Casual Employment Opportunities Available Semester 1, 2020 – School of Electrical and Electronic Engineering (ECMS)

Courses with casual work available:

Catalogue Number	Course Title
1100	Analog Electronics
1101	Electronic Systems
2100	Digital Systems
2101	Electronic Circuits
2105	Electronic Circuits M
2102	Electric Energy Conversion
3100	Systems Engineering
3101	Control
3103	Electromagnetics
3109	Digital Microelectronics
4058	Power Quality & Condition Monitoring
4061	Image Processing
4063	Communications
