### Work Area Profile

Ahpra's overall mission is to protect the public by regulating health practitioners efficiently and effectively in the public interest to facilitate access to safer healthcare for all the community. Website: [www.ahpra.gov.au](http://www.ahpra.gov.au)

Strategy and Policy exists to protect the public through whole of National Scheme strategy, policy, engagement and regulatory governance functions that are effective and responsive. The directorate provides high quality services that are national and run across the professions we regulate.

The Accreditation Policy team, within Ahpra's Accreditation Unit, works in collaboration with other teams within Strategy and Policy to deliver on key accreditation policy initiatives across the National Scheme, with input from National Boards, Agency Management Committee and a range of external stakeholders. The Accreditation Policy team also undertakes a portfolio of policy and project work related to implementation of accreditation arrangements, development of accreditation standards and professional capabilities.

### Role Purpose

The Policy and Project Officer contributes to policy development and the implementation of strategic accreditation policy initiatives and accreditation arrangements.

With a focus on Ahpra's values to deliver high performance, the Accreditation Policy and Project Officer plays an important role in ensuring policy advice and guidance is consistent with current legislation, established approaches and agreed principles.

The role works within the Accreditation Policy team and applies the following key accountabilities to meet the purpose.

### Key Accountabilities

- Contribute to the development and implementation of strategic accreditation policy initiatives in accordance with agreed workplans
- Develop high-quality policy advice, agenda papers and progress reports
- Undertake research and policy development work to support implementation of accreditation policy initiatives in accordance with agreed workplans
- Provide timely advice to the Accreditation Policy team on issues and risks affecting implementation of agreed workplans

- Identify and resolve problems related to implementation of agreed workplans, and escalate matters where risk or complexity exceeds agreed thresholds
- Proactively consult with relevant stakeholders to obtain relevant contemporary information to inform research and policy development work, using consultation tools to facilitate productive, efficient and effective stakeholder consultation in accordance with Ahpra's consultation processes
- Contribute to the development of presentations for internal and external stakeholders, as required
- Contribute to the creation and maintenance of web-based information for internal and external stakeholders
- Other activities as reasonably requested by line manager
- Health Safety and Wellbeing: Ensuring the workplace provides a safe working environment with the required level of care and respect for its participants. This means to:
  - Take reasonable care for own and others' health, safety and wellbeing
  - Adhere to Ahpra's workplace health, safety and wellbeing policies and procedures
