### Work area profile

AHPRA's overall mission is to protect the public by regulating health practitioners efficiently and effectively in the public interest to facilitate access to safer healthcare for all the community. Website: [www.ahpra.gov.au](http://www.ahpra.gov.au)

In partnership with the National Boards, AHPRA's, Regulatory Operations Directorate, Registration division ensure only practitioners who have the skills and qualifications to provide safe care to the Australian community are registered to practise their profession. AHPRA publishes registers of practitioners (the national register) so that important information about the registration of individual health practitioners is available to the public.

### Role purpose

Reporting to the Regulatory Advisor – Registration Team Leader, the Regulatory Officer – Registration will be responsible for the case management of applications for registration and renewal of registration. The role will deliver efficient and accurate assessment and processing of applications, and other related documents, including active management of compliance with inherent restrictions where required. This will be in accordance with the Regulatory Principles for the National Scheme, the National Law, registration standards, guidelines, and national organisational policies and procedures with a focus on AHPRA's values to deliver high performance.

### Key Accountabilities

- *Deliver customer focused efficient, accurate assessing and processing of applications and other documents for registration of health practitioners consistent with current legislation, established policy, procedures and the delegated authority of the Board.*
- *Assess and case manage applications for registration in a manner that is consistent with the National Law and agreed national policies, processes, procedures, and relevant Board's professional registration standards within KPI's timeframes.*
- *Maintain the register of health practitioners ensuring that information entered is up to date and accurate.*
- *Prepare relevant correspondence, agenda papers, reports, and recommendations about registration matters.*
- *Contribute to the development, review and continuous improvement of the registration process.*
- *Exercise delegated provisions consistent with the National Law.*
- *Review and actively manage compliance with inherent restrictions where required.*
- *Other duties as directed by the Regulatory Advisor – Registration Team Leader.*

- Health Safety and Wellbeing: Ensuring the workplace provides a safe working environment with the required level of care and respect for its participants. This means to:
  - Take reasonable care for own and others' health, safety and wellbeing;
  - Adhere to AHPRA's workplace health, safety and wellbeing policies and procedures.
