POSITION DESCRIPTION

Senior Lecturer
Teaching & Research

Position Level | C
Faculty/Division | Medicine & Health
Position Number | 00092482
Original document creation | 14/04/ 2021

Position Summary
A Senior Lecturer (Level C) will conduct high quality research and make a significant contribution to educational excellence in the field of Urogynaecology.

The role of Senior Lecturer reports to Professor of Obstetrics and Gynaecology (Urogynaecology) and has no direct reports.

Accountabilities
Specific accountabilities for this role include:

- Apply a well-defined teaching philosophy and a critically reflective teaching practice that supports and inspires student learning both in the Discipline of Obstetrics and Gynaecology and more generally within Faculty.
- Participate in learning and teaching activities relevant to undergraduate and post-graduate medicine and healthcare courses run by the Faculty of Medicine and Health
- Design, develop and evaluate learning activities and resources, and provide assessment and feedback at both course and program level using a range of suitable approaches and learning environments based on best educational pedagogy.
- Make a positive contribution by leading School meetings and seminars and be a member of School/Faculty committees as required.
Take on specific educational roles and responsibilities representing the discipline at both faculty and university level.

Support learning progression with students as individuals to achieve positive learning and employability outcomes for students.

Maintain and develop links within the discipline industry and profession (e.g. contribute to professional development activities).

Undertake independent research in discipline or related area (as per the norms of the discipline) and establish research group and network/s at a national level.

Obtain research income from nationally competitive research grants (and/or research fellowships) and research end-users as a member or leader, at or above the level that is relevant to the discipline in leading universities.

Mentor and guide students in their research interests (including ILP and Honours), groups; supervise HDRs to timely completion as primary supervisor; and contribute to HDR review panels.

Align with and actively demonstrate the UNSW Values in Action: Our Behaviours and the UNSW Code of Conduct.

Cooperate with all health and safety policies and procedures of the university and take all reasonable care to ensure that your actions or omissions do not impact on the health and safety of yourself or others.

Skills and Experience

- A PhD in a related discipline, and/or relevant work experience.
- A MBBS or MD with approval to work as a doctor with NSW Health.
- Specialist qualifications in Obstetrics and Gynaecology and a RANZCOG Certificate in Urogynaecology.
- Proven commitment to proactively keeping up to date with discipline knowledge and developments.
- Demonstrated experience in teaching and learning design using a range of pedagogical approaches, development and delivery of courses and programs, at undergraduate and/or postgraduate level.
- Experience of implementing educational technologies and online delivery methods.
- Evidence of teaching effectiveness and passion for educational excellence and fostering this in others.
- Demonstrated success in initiating curriculum development and improvement.
- Evidence of ability to support and inspire students from diverse backgrounds and support student equity diversity and inclusion initiatives.
- Demonstrated track record in research with outcomes of high quality and high impact with clear evidence of the desire and ability to continually achieve research excellence as well as the capacity for research leadership, such as regular submission of scientific abstracts to appropriate international professional bodies.
- Demonstrated ability to work in a team, collaborate across disciplines and build effective relationships.
- Evidence of highly developed interpersonal and organisational skills.
- Demonstrated ability to interact with the profession and industry and attract funding for learning and teaching initiatives.
- An understanding of and commitment to UNSW’s aims, objectives and values in action, together with relevant policies and guidelines.
- Knowledge of health and safety responsibilities and commitment to attending relevant health and safety training.
Pre employment checks required for this position

- Verification of qualifications
