July 2023

Position Summary

A Supervising Psychologist (Level 8) contributes to the supervision and training of provisional psychologists at UNSW clinics.

This role will:

- Provide individual and group supervision of Master of Psychology program students.
- Manage learning and evaluate development of provisional psychologists by observing, guiding and providing feedback on interactions with clients.
- Provide learning opportunities and training support.
- Maintain a client caseload and/or have oversight of caseloads of provisional psychologists.
- Participate in and conduct educational activities.
- Provide feedback to the Clinic Director regarding the clinic's effectiveness and provisional psychologist performance.
- Coordinate and carry out office administration including placement coordination into external placement sites.
- Develop clinic protocols and resources.
- Cooperate with all health and safety policies and procedures of the university and take all reasonable care to ensure that your actions or omissions do not impact on the health and safety of yourself or others.

A person engaged is generally expected to have the following skills and experience:

- Registered psychologist with AHPRA with endorsement in an applicable field of psychology, such as Forensic or Clinical Psychology or Clinical Neuropsychology. Board approved supervisor with demonstrated post qualification clinical experience.
- Strong psychology skills with respect to cultural consideration of clients, risk assessment, and clinical intervention with a variety of client presentations.
- Strong interpersonal skills, especially in relation to provision of effective feedback.

- Demonstrated ability to work collaboratively and productively within a team, can work autonomously and independently to manage competing demands.

Additional Pre-employment checks required for this position

- Nil
