ORGANISATIONAL PURPOSE

Our vision at the Brotherhood of St Laurence (BSL) is for an Australia free of poverty. We pursue lasting change for a fairer and more compassionate Australia.

Our organisation employs over 1,500 staff and is supported by 1,000 volunteers. We partner with governments, business, and other organisations to address poverty across the nation.

Our work is varied. We deliver services to build capability and confidence across the life course, from the early years, youth, and employment to services for people with disability and for older people in Australia. Our Op Shops and social enterprises are well known. So too are our programs that support digital literacy, energy efficiency and financial wellbeing. We research the causes and effects of poverty and connect policy, practice, and research to advocate national, state, and local policy solutions for people experiencing disadvantage.

BSL is committed to child, young people, and vulnerable adult safety. We want all vulnerable people to be safe, happy, and empowered. We support and respect all children and vulnerable adults, as well as our staff and volunteers. We are committed to the safety, participation, and empowerment of all our program participants. All successful candidates will undergo a robust screening process prior to employment. We provide our staff and volunteers with ongoing supervision, support, and training in their work with vulnerable people.
