POSITION TITLE	Office Coordinator
DIVISION	NDIS Services
DEPARTMENT	Local Area Coordination
REPORTS TO	Senior Manager Local Area Coordination

ORGANISATIONAL PURPOSE

Our vision at the Brotherhood of St Laurence is for an Australia free of poverty.

Established during the Great Depression by Anglican activist Father Gerard Tucker, the contemporary Brotherhood of St Laurence pursues systemic change for a fairer and more compassionate Australia where all people have a sense of belonging.

Our organisation employs over 1400 staff and is supported by 1200 volunteers. We partner with governments, business and other community organisations to address poverty in communities across the nation.

As well as providing services and programs for families and older people on low incomes, refugees and asylum seekers, young people and the unemployed, we research the causes and effects of poverty and advocate national, state and local policy solutions for people experiencing disadvantage.

We also operate social enterprises— our community stores and the Brotherhood Books online book store — which recycle goods and raise revenue for our work towards an Australia free of poverty.

The Brotherhood's Strategic Plan for 2019-2023 outlines five strategic outcomes which are supported by action plans for each of its Divisions and major programs.

These are:

- Inclusive services and communities for everyone
- Thriving and resilient children and young people
- Economic security for all
- A trusted voice nationally on poverty and disadvantage
- An inclusive, effective, efficient and agile organisation

DIVISION AND DEPARTMENT PURPOSE

The NDIS Services division comprises of Local Area Coordination (LAC) and Early Childhood Early Intervention (ECEI) services. The Brotherhood of St Laurence is a partner in the community delivering LAC and ECEI services in five areas across metropolitan Melbourne.

Early Childhood Early Intervention

The ECEI approach supports children aged 0-6 years who have a developmental delay or disability, and their families/carers. The ECEI approach supports families to help children develop the skills they need to take part in daily activities and achieve the best possible outcomes throughout their life.

Local Area Coordination

Local Area Coordination is a pivotal function in the National Disability Insurance Scheme (NDIS). LAC provides planning and coordination to support people with disability exercising choice and control over the services they use. LAC promotes community inclusion and supports the development of mainstream services that are accessible to people with disability. The role of LAC is to assist people with disability to advocate, plan, organise and access the support and services needed to live an ordinary life. This includes assessing each person's eligibility for the NDIS and, where eligible, helping to establish a NDIS plan with reasonable and necessary supports. Local Area Coordinators build community capacity and assist people with disability to access mainstream services regardless of NDIS eligibility.
