Organisational context

Everyone needs a platform to launch a satisfying career. At Monash, we give you the space and support to take your career in all kinds of exciting new directions. You'll have access to quality research, infrastructure and learning facilities, opportunities to collaborate internationally, as well as the grants you'll need to publish your work. We're a university full of energetic and enthusiastic minds, driven to challenge what's expected, expand what we know, and learn from other inspiring, empowering thinkers. Discover more at www.monash.edu

The **Monash Business School** undertakes education, research, consultancy and community engagements across all the main business and economics disciplines. It offers a comprehensive selection of awards including bachelor degrees, specialist master degrees by coursework, the Master of Business Administration (MBA), masters by research, and the PhD. Student numbers exceed 14,000, making it one of the largest business education providers in Australia.

The Monash Business School operates across all four Australian campuses (Berwick, Caulfield, Clayton and Peninsula) and, together with business schools in South Africa and Malaysia, makes up Monash University's Faculty of Business and Economics.

The Monash Business School is structured into seven discipline-based departments (Accounting, Banking and Finance, Business Law and Taxation, Econometrics and Business Statistics, Economics, Management, and Marketing) as well as a number of research centres, units and groups in specialist areas such as behavioural economics, development economics, employment and work, and retail studies.

The **Department of Economics** is one of the foundation departments of Monash University. With representation across seven campuses, we offer a range of undergraduate and postgraduate programs on and off-campus in Australia. The Department has a strong research profile and vibrant research culture, underpinned by our philosophy that a rapidly changing world requires adaptable analytical skills. We are one of Australia's leading economics departments and proudly provide specialist advice to government and private sector bodies in Australia and internationally. For more information about our Department, please visit <http://business.monash.edu/economics>.

Position purpose

A Level C academic is expected to make significant contributions to the teaching effort of a department, school, faculty or other organisational unit or an interdisciplinary area. An academic at this level is also expected to play a major role in scholarship, research and/or professional activities.

Reporting Line: The position reports to the Head of Department for education and research program responsibilities and outcomes, through the relevant performance manager

Supervisory responsibilities: Not applicable

Financial delegation and/or budget responsibilities: Not applicable

Key responsibilities

1. The conduct of tutorials, practical classes, demonstrations, workshops, student field excursions, clinical sessions and studio sessions
2. Initiation and development of course material
3. The initiation and development of subject material
4. Supervision of major honours or postgraduate research projects
5. Supervision of the program of study of honours students and of postgraduate students engaged in course work
6. The conduct of research
7. Broad administrative functions; the majority of which are connected with the subjects in which the academic teaches, such as marking and assessment
8. Consultation with students
9. Significant role in research projects including, where appropriate, leadership of a research team
10. Embrace and support the faculty's commitment to national and international accreditation (i.e. TEQSA, EQUIS, AACSB and AMBA)
11. Recognise and uphold the faculty's commitment to the principles and values promoted through PRME and GRLI in all activities

Key selection criteria

1. A Level C academic will normally have advanced qualifications and/or recognised significant experience in the relevant discipline area. A position at this level will normally require a doctoral qualification or equivalent accreditation and standing.
2. Possess a high level of interpersonal skills and demonstrated ability to work independently and as part of a team across both the education and service sectors
3. Demonstrated publication record in high-quality refereed journals, conferences equivalent textbooks or teaching resources
4. Demonstrated strong record of teaching experience in a tertiary environment
5. Demonstrated ability to stimulate, actively engage and educate a given audience
6. Proven ability, commitment and passion for engaging in scholarly and research activities
7. A demonstrated capacity to work in a collegiate manner with other staff in the workplace
8. Demonstrated statistical analysis and manuscript preparation skills; including a solid track record of refereed research publications
9. Demonstrated ability to motivate, actively engage and educate a given audience
10. Proven ability, commitment and passion for engaging in scholarly and research activities

Other job related information

- Travel (e.g. to other campuses of the University) may be required
- There may be peak periods of work during which the taking of leave may be restricted

Legal compliance
