JOB SPECIFICATION

PREAMBLE

The Southern Adelaide Local Health Network (LHN) provides care for around 341,000 people living in the southern metropolitan area of Adelaide as well as providing a number of state-wide services, and services to those in regional areas. More than 7,000 skilled staff provide high quality patient care, education, research and health promoting services.

Southern Adelaide LHN provides a range of acute and subacute health services for people of all ages, and has three hospitals, Flinders Medical Centre, Noarlunga Hospital and the Repatriation General Hospital.

Population and Primary Health Care delivers a range of primary health care services across the southern metropolitan area of Adelaide, with a focus on providing preventive and health promoting programs in the community, and transition and hospital substitution and avoidance programs targeted at chronic disease and frail aged.

Southern Mental Health provides a range of integrated services across community and hospital settings, targeted at all age groups, in collaboration with non-Government organisations and General Practice Network South.

SUMMARY OF THE BROAD PURPOSE OF THE POSITION

The Occupational Therapist (AHP2) is accountable to the Manager (Occupational Therapy) for the provision assessment and treatment services for adult inpatients and outpatients of the SALHN, which aims to optimise health outcomes. The incumbent will rotate through a series of clinical services.

The Occupational Therapist (AHP2) will work within the scope of practice, as defined in the work level definition documented in the South Australian Public Sector Wages Parity Enterprise Agreement: Salaries 2012.

The Occupational Therapist applies clinical experience, increasing clinical knowledge and professional competence to plan, implement and evaluate comprehensive and integrated services to the needs of clients of the SALHN. The Occupational Therapist (AHP2) works under limited direct supervision clinical supervision and may provide direction and support to less experience therapists, allied health assistants and students.

The Occupational Therapist works collaboratively with the Allied Health multi-disciplinary team and liaises directly with medical, nursing staff of the SALHN and with other community agencies.

REPORTING / WORKING RELATIONSHIPS

- The incumbent is responsible to the Manager of Occupational Therapy through the Senior Clinician to whom they directly report.
 - The Occupational Therapist works collaboratively with Allied Health multi-disciplinary team and liaises with providers of SALHN and other community agencies.
-

SPECIAL CONDITIONS

- Job and Person Specifications are reviewed regularly as part of the ongoing Performance Development process.
 - May be required to work within other locations of the Southern Adelaide LHN.
 - Some out of hours work may be required.
 - Current South Australian drivers licence and a willingness to drive a government vehicle is essential.
 - Support values consistent with the aims of SA Health and the LHN, including honesty, respect and integrity.
 - May be required to undertake a health assessment prior to commencement.
 - Appointment may be subject to a satisfactory Criminal History Report.
 - Comply with the Principles of the Code of Fair Information Practice, adopted by the Department of Health, which regulate the collection, use, disclosure, storage and transfer of all personal patient/client information within the Department and throughout its funded service providers.
 - SA Health is smoke free.
-

STATEMENT OF KEY OUTCOMES AND ASSOCIATED ACTIVITIES

Ensure the provision of high quality Occupational Therapy services that maximises patient health outcomes by:

- Using increasing professional knowledge and skills to provide assessments, interpret findings and plan and implement interventions plans in conjunction with the patient, carers and other health professionals
- Managing with reduced supervision, non-routine clinical situations when more complex problem solving, professional decision making and practice skills are required
- Ensuring documentation is consistent with service policy and practice
- Undertaking comprehensive discharge planning in conjunction with other team members
- Maintaining and developing clinical and professional knowledge and skills

Provide effective coordinated Inter-Disciplinary care by:

- Working collaboratively with members of other disciplines within the SALHN
- Participating actively in multidisciplinary service teams and projects

Maintain and develop clinical and professional skills by

- Participating in departmental and hospital professional development programs
- Contributing to departmental administration through staff meetings
- Contributing to the development of departmental procedures and policies
- Participating in quality improvement activities, research and performance enhancement programs

Participate in the development of a high quality Occupational Therapy department by:

- Participation in departmental meetings.
- Participation in the development of resources and new information.
- Participation in research and evaluation of the Occupational Therapy service
- Undertaking data input, and participating in reviewing and evaluating data produced by clinical information management system (CME)

Provision of training and supervision of clinical Occupational therapy students by:

- Providing 'professional/clinical supervision' to undergraduate students and to work experience students
- Providing a role model, by demonstrating professional behaviour, and clinical reasoning.

Contribute to the delivery and management of efficient work practices and a culture of continued quality improvement, including:

- Participating in, and facilitating the delivery of, collaborative team work and effective continuous learning and professional development
- Actively participating in continuous Quality Improvement activities, including the identification of performance standards and increased efficiencies
- Contribute to a safe and healthy work environment, free from discrimination and harassment by working in accordance with legislative requirements, the Code of Ethics for the South Australian Public Sector and departmental human resource policies, including OHS&W requirements
