## ROLE CONTEXT

### Primary Objective(s) of role:

The position works predominately with an adult inpatient caseload, on a rotational basis across various inpatient units within FMC including the Stroke Unit, Neurosurgical Unit, and various acute medical units. As the Speech Pathology department also provides services to paediatric inpatients and outpatients, some paediatric clinical services may also be required of the position. The position is administratively accountable to the Director, Clinical Services (DCS) for providing a range of Speech Pathology services to patients of the FMC, including consultancy, assessment and therapeutic intervention, education, applied clinical research and, where appropriate, contribution to student supervision or teaching. The position clinically reports to the AHP3 Speech Pathologist Neurosciences or the AHP2 Speech Pathologist Acute Adult Services, depending on caseload allocation during rotation. Caseload may change according to the needs of the Department. The position may also report to the AHP3 Senior Speech Pathologists of Acute Adult Services.

### Direct Reports:

The position is administratively accountable to the Director, Clinical Services (DCS).  
The position clinically reports to the Senior Acute Speech Pathologists.

### Key Relationships/ Interactions:

Supervisor Reports to:	Director of Clinical Services, Speech Pathology & Audiology
Supervisor's Position:	Senior Acute Speech Pathologists
Subject Position:	Speech Pathologist
Positions supervised:	AHP1 Speech Pathologists, OPS2 Paramedical Aide
Other Positions Reporting to the Supervisor:	AHP1 & AHP2 Speech Pathologists, OPS2 Paramedical Aide

### Challenges associated with Role

Major challenges currently associated with the role include:

- > This position works as part of integrated team with other part-time and full-time staff. Caseload allocations and rotations may change frequently in response to changing demands within the hospital.
- > There is a requirement to share clinical patient management with other team members, which relies on high level communication and clinical handover practices
- > A flexible and collaborative approach to working with and supporting others is essential

### Delegations:

- > N/A

### Resilience:

SA Health employees persevere to achieve goals, stay calm under pressure and are open to feedback.

### Performance Development

The incumbent will be required to participate in the organisation's Performance Review & Development Program which will include a regular review of the incumbent's performance against the responsibilities and key result areas associated with their position and a requirement to demonstrate appropriate behaviours which reflect a commitment to SA Health values and strategic directions.

### General Requirements:

Managers and staff are required to work in accordance with the Code of Ethics for South Australian Public Sector, Policies and Procedures and legislative requirements including but not limited to:

- > *Work Health and Safety Act 2012* (SA) and when relevant WHS Defined Officers must meet due diligence requirements
- > *Return to Work Act 2014* (SA), facilitating the recovery, maintenance or early return to work of employees with work related injury / illness
- > immunisation requirements as outlined by the *Immunisation Guidelines for Health Care Workers in South Australia 2014*

- > relevant Australian Standards
- > duty to maintain confidentiality
- > Smoke Free Workplace
- > valuing and respecting the needs and contributions of SA Health Aboriginal staff and clients, and commit to the development of Aboriginal cultural competence across all SA Health practice and service delivery
- > applying the principles of the South Australian Government's Risk Management Policy to work as appropriate.

#### Handling of Official Information:

- > By virtue of their duties, SA Health employees frequently access, otherwise deal with, and/or are aware of, information that needs to be treated as confidential.
- > SA Health employees will not access or attempt to access official information, including confidential patient information other than in connection with the performance by them of their duties and/or as authorised.
- > SA Health employees will not misuse information gained in their official capacity.
- > SA Health employees will maintain the integrity and security of official or confidential information for which they are responsible. Employees will also ensure that the privacy of individuals is maintained and will only release or disclose information in accordance with relevant legislation, industrial instruments, policy, or lawful and reasonable direction.

#### Special Conditions:

- > It is mandatory that no person, whether or not currently working in SA Health, will be eligible for appointment to a position in SA Health unless they have obtained a satisfactory Background Screening and National Criminal History Clearance.
- > *Prescribed Positions* under the *Children's Protection Act (1993)* must obtain a satisfactory Background Screening and National Criminal History Clearance through the Screening and Licensing Unit, Department for Communities and Social Inclusion.
- > Background Screening and National Criminal History Clearances must be renewed every 3 years thereafter from date of issue for 'Prescribed Positions' under the *Children's Protection Act 1993* (Cth) or 'Approved Aged Care Provider Positions' as defined under the *Accountability Principles 1998* made in pursuant to the *Aged Care Act 2007* (Cth).
- > Depending on work requirements the incumbent may be transferred to other locations across SA Health to perform work appropriate to classification, skills and capabilities either on a permanent or temporary

basis subject to relevant provisions of the *Public Sector Act 2009* for Public Sector employees or the *SA Health (Health Care Act) Human Resources Manual* for Health Care Act employees.

- > The incumbent may be required to participate in Counter Disaster activities including attendance, as required, at training programs and exercises to develop the necessary skills required to participate in responses in the event of a disaster and/or major incident.
- > May be required to wear protective clothing
- > Job and Person Specifications are reviewed regularly as part of the ongoing Performance Development process.
- > Some out of hours work and participation in the 7-day speech pathology weekend and public holiday service will be required. Some interstate travel may be required.
- > May be required to participate in weekend staffing roster (this attracts overtime pay at penalty rates above base salary)
- > Will be required to undertake a health assessment prior to commencement.

## Organisational Context

### Organisational Overview:

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

### Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Ageing and the Minister for Mental Health and Substance Abuse.

The legal entities include but are not limited to Department for Health and Ageing, Central Adelaide Local Health Network, Northern Adelaide Local Health Network, Southern Adelaide Local Health Network, Women's and Children's Health Network, Country Health SA Local Health Network and SA Ambulance Service.

### SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

### Health Network/ Division/ Department:

Speech Pathology & Audiology is one of 10 units (8 clinical disciplines) in the Allied Health Division. The Speech Pathology & Audiology Department of FMC and Flinders University are co-located within the same building and enjoy a strong collaborative relationship that facilitates the development of innovative clinical programmes (services and teaching) and a broad range of staff activities related to clinical practice, teaching, education and research. The Department provides comprehensive clinical services which include patient care across the lifespan of infants to adults, community liaison, education, research and evaluation and is responsible for the clinical teaching of speech pathology students.

## Values

### SA Health Values

The values of SA Health are used to indicate the type of conduct required by our employees and the conduct that our customers can expect from our health service:

- > We are committed to the values of integrity, respect and accountability.
- > We value care, excellence, innovation, creativity, leadership and equity in health care provision and health outcomes.
- > We demonstrate our values in our interactions with others in SA Health, the community, and those for whom we care.

## Speech Pathology Values

In Addition to the SA Health Values, the Speech Pathology Department at Flinders Medical Centre is committed to upholding a set of core values developed by staff as laid out in their Team Charter, which include but are not limited to;

- > Creating a supportive team work environment
- > Maintaining timely and effective communication, that is honest and respectful
- > Actively seeking teaching & learning opportunities
- > Providing evidence-based services to patients
- > Respecting and valuing the experiences, perspectives and efforts of others
- > Valuing client and family perspectives and supporting them to make informed choices about their treatment

## Code of Ethics

The *Code of Ethics for the South Australian Public Sector* provides an ethical framework for the public sector and applies to all public service employees:

- > Democratic Values - Helping the government, under the law to serve the people of South Australia.
- > Service, Respect and Courtesy - Serving the people of South Australia.
- > Honesty and Integrity- Acting at all times in such a way as to uphold the public trust.
