Organisational Context

Organisational Overview:

At CALHN we are shaping the future of health with world-class care and world-class research. This is fundamental in assisting us to achieve our vision of becoming one of the top five performing health services in Australia and one of the top 50 performing health services in the world within five years.

We are part of SA Health, which is the brand name for the public health system. As a system SA Health's mission is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians

Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Barossa Hills Fleurieu Local Health Network Inc., Eyre and far North Local Health Network Inc., Flinders and Upper North Local Health Network Inc., Limestone Coast Local Health Network Inc., Riverland Mallee Coorong Local Health Network Inc., Yorke and Northern Local Health Network Inc. and SA Ambulance Service Inc.

SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Strategic Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

Central Adelaide Local Health Network:

Established in July 2011, CALHN is one of five Local Health Networks (LHNs) in South Australia and we are accountable to the Central Adelaide Local Health Network Governing Board. Our board has oversight of our strategy, risk management, governance and performance, and works with our Chief Executive Officer to provide strategic direction for our network.

CALHN is responsible for the following health services:

- Royal Adelaide Hospital (RAH)
- The Queen Elizabeth Hospital (TQEH)
- Hampstead Rehabilitation Centre (HRC)
- St Margaret's Rehabilitation Hospital (SMRH)
- Glenside Health Service (GHS) Psychiatric Intensive Care Unit; Inpatient Rehabilitation Services and Acute beds only
- Adelaide Dental Hospital (ADH).

CALHN also has governance over numerous community mental health and primary health services including Prison Health Service, SA Dental Service and DonateLife SA. Of note also is governance of the Statewide Clinical Support Services (SCSS) including SA Medical Imaging (SAMI), SA For Official Use Only – IV7

Pathology SA Pharmacy and BreastScreenSA, responsibility of which has vacillated between CALHN and DHW over the past few years.

CALHN is one of three metropolitan LHNs and its core population is approximately 390,000 people. CALHN also provides services to patients from other SA networks, rural and remote areas, the Northern Territory, NSW (Broken Hill) and western parts of Victoria. These services usually relate to complex services such as head and neck cancer, radiation therapy, cardiac surgery, spinal surgery or rehabilitation.

CALHN's purpose is to deliver quality and sustainable healthcare. While the delivery of high quality patient care is our number one priority, underpinning our goals is good governance, improved patient experience, business operations, efficiency and financial performance and more accountable and contemporary ways of working.
