# **Organisational Context**

#### **Organisational Overview:**

Our mission at SA Health is to lead and deliver a comprehensive and sustainable health system that aims to ensure healthier, longer and better lives for all South Australians. We will achieve our objectives by strengthening primary health care, enhancing hospital care, reforming mental health care and improving the health of Aboriginal people.

SA Health is committed to a health system that produces positive health outcomes by focusing on health promotion, illness prevention and early intervention. We will work with other government agencies and the community to address the environmental, socioeconomic, biological and behavioural determinants of health, and to achieve equitable health outcomes for all South Australians.

#### Our Legal Entities:

SA Health is the brand name for the health portfolio of services and agencies responsible to the Minister for Health and Wellbeing. The Department for Health and Wellbeing is an administrative unit under the Public Sector Act 2009.

The legal entities include but are not limited to the Central Adelaide Local Health Network Inc., Northern Adelaide Local Health Network Inc., Southern Adelaide Local Health Network Inc., Women's and Children's Health Network Inc., Country Health SA Local Health Network Inc. and SA Ambulance Service Inc.

#### SA Health Challenges:

The health system is facing the challenges of an ageing population, increased incidence of chronic disease, workforce shortages, and ageing infrastructure. The SA Health Care Plan has been developed to meet these challenges and ensure South Australian's have access to the best available health care in hospitals, health care centres and through GPs and other providers.

#### **SA Ambulance Service:**

#### SA AMBULANCE SERVICE VISION

An innovative, patient focussed, technology enabled, evidence driven, emergency response and health care ambulance service; achieved by exceptional people.

#### **PURPOSE**

To ensure South Australia thrives by enabling access to emergency and non-emergency ambulance health care and alternative patient pathways while contributing to our State's emergency preparedness and health response capability.

Underpinning the SA Ambulance Service (SAAS) Strategic Directions are the agreed values that reflect patient focused, integrity and honesty, community collaboration, teamwork, respect and courtesy, change ready and authentic leadership. These values drive how we conduct our business and how we behave. We aim to uphold our values every day and recruit to those values. We will ensure we have a culture that is **R**espectful, **I**nclusive, **S**upportive and **E**quitable **(RISE)**.

Australia has one of the most culturally and ethnically diverse populations in the world. Having bi-lingual and bi-cultural employees can enhance the department's ability to negotiate with, and meet the needs of, the full range of its clients and customers. Such employees also add to the diversity of the workforce, and give added opportunities to fully capitalise on difference as a valuable asset in an increasingly competitive environment.
