ORGANISATIONAL CONTEXT

Monash University is Australia's largest university and a member of the prestigious Group of Eight. We've been consistently ranked among the world's top universities, rising 13 places in the Times Higher Education (THE) World University Rankings 2023 to rank 44th globally, reflecting our strong commitment to academic and research excellence.

Monash is a global university with four local campuses throughout Australia, as well as international locations in Malaysia, Indonesia, China, Italy and India. A unique alliance with the University of Warwick (UK) sits alongside an array of international collaborations with leading universities and corporations around the world, expanding the University's global network.

Established in 1998, Monash University Malaysia is Monash's third-largest campus and one of Malaysia's most respected universities. We were awarded a six-star SETARA rating by the Ministry of Higher Education Malaysia in 2017 and once more in 2019, cementing our position in the very top cohort of outstanding universities in the country. In 2020, we received a five-star rating for research excellence from the Malaysia Research Assessment.

As a self-accrediting University, we attract students not just from Malaysia, but from all over the world. More than 9300 students representing approximately 79 nationalities are currently enrolled at Monash Malaysia, and they enjoy a quality study experience supported by over 860 staff members.

We're Monash's platform for scholarly engagement with Southeast Asia, offering degrees in arts and social sciences, business, engineering, information technology, medicine, psychology and health sciences, pharmacy, and science across seven schools.

Our campus is located in Greater Kuala Lumpur, one of the region's industrial hotspots. We sit in the heart of the rapidly developing economic corridor linking Singapore, Kuala Lumpur, Bangkok and beyond. Our education and research are oriented towards deep engagement with this dynamic social and industrial landscape.

In 2023 Monash Malaysia celebrates 25 transformative years of making change. Since welcoming our first cohort of 417 students, we have built a reputation for quality, credibility and integrity, and is held in high esteem by our students, alumni, industry and government. We maintain a long and proud tradition of excellence in education, combined with liberal values of enquiry, providing a fertile environment for bright young minds to

flourish and lifelong opportunities for those wishing to enhance their education and career. Join us as we celebrate the accomplishments of our students, alumni and staff, and look towards an exciting future.

The School of Business is the largest school at Monash University Malaysia with enrolment numbers close to 3000 students. The School is structured into six departments namely Accounting and Finance, Business Law and Taxation, Econometrics and Business Statistics, Economics, Management, and Marketing.

The School's vision is to become one of the best business schools in Asia, as measured by the quality and impact of its teaching and research, and, through these, to engage with and serve the community. By pursuing this vision, the School contributes to the University's mission to improve the human condition by advancing knowledge and fostering creativity. The School's mission is to have a meaningful impact on the way business is conducted in Asia through high-quality research, educational excellence, and extensive engagement with industry and the community.

The School is led by the Head of School who is advised and supported by an Executive Committee comprising senior academic and professional staff members of the School: Deputy Heads of School, Heads of Discipline, Senior School Manager and managers.

POSITION PURPOSE

A Level B academic is expected to make contributions to the teaching effort of the university and to carry out activities to maintain and develop her/his scholarly, research and/or professional activities relevant to the profession or discipline.

The academic will teach and administer undergraduate, postgraduate and executive education programs in the area of Econometrics & Business Statistics within the School. The academic will also be responsible for undertaking activities that maintain and develop scholarly research and the professional activities that are related to the discipline.

Reporting Line: The position reports to Head of Department, Econometrics and Business Statistics

Supervisory responsibilities: As assigned

Financial delegation and/or budget responsibilities: Not applicable

KEY RESPONSIBILITIES

1. Contribute to curriculum development, innovation, enhancement and quality assurance in the undergraduate and postgraduate units
2. Deliver innovative and excellent teaching, learning and assessment experiences for undergraduate and postgraduate students
3. Conduct original research, developing an active record of publication and starting to build a profile of grants and supervision
4. Participate in collaborations with other universities and with government, industry and/or civil society to drive research impact and educational excellence
5. Support the management of education, research and/or administration in the School through, for example, participation in committees

KEY SELECTION CRITERIA

1. A doctoral qualification (PhD) or equivalent qualification
2. Demonstrated ability to teach in a university environment
3. Demonstrated ability to produce excellent research and supervision of Undergraduate/Honours students
4. Demonstrated ability to work with partners in universities, government and/or civil society
5. Demonstrated skills and experience in collaboration and teamwork
6. Research agenda should show potential of high translational impact, and must align with the Department's research focus areas of (i) Data Fluency and (ii) Evidence-based transformative actions (in policy and governance)

LEGAL COMPLIANCE

Ensure you are aware of and adhere to legislation and University policy relevant to the duties undertaken, including: Equal Employment Opportunity, supporting equity and fairness; Occupational Health and Safety, supporting a safe workplace; Conflict of Interest (including Conflict of Interest in Research); Paid Outside Work; Privacy; Research Conduct; and Staff/Student Relationships.
